BOARD OF SUPERVISORS MEETING
FIFTH MEETING, NOVEMBER SESSION (38)
December 21, 1979

The Board of Supervisors of Buena Vista County met in special session, pursuant to adjournment for the main purpose of discussing 1980 salaries for the secondary road employees. Chairman Harjes presided with the following members present: Worthan, Samelson, Burr, Radke. Absent: None.

Also present for the meeting were 9 other interested individuals.

Don Linnan, County Engineer, presented information relating to the salary askings. C.P.I. has increased 11.3 points in 5 months, the 6th month is not yet available but will be on the 27th or 28th. It is believed to amount to about 27 cents per hour. This couple with 40 cents per hour would equal 10% of a patrol operators pay. LeAnn Sinclair presented figures showing the increases given elected officials and their deputies over the last three years and what is scheduled for 1980 based on a calendar year. Supervisor Burr disputed the figures and said he would like to see about a 10% increase for the secondary road employees. Chairman Harjes then said "job descriptions" are need and should be used to set top limits. We have them but they need to be refined. Ole Leimer, a farmer from Lincoln township, stated the raise asked for was more than the increase in the cost of living. He questioned the taxpayers getting "their moneys worth".

After further discussion it was moved by Radke, seconded by Burr to offer 40 cents per hour plus cost of living (approx. 27 cents) for secondary road employees effective January 1, 1980. Ayes--all.

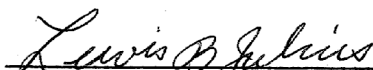

A preliminary assessment against Buena Vista County was received from the City of Sioux Rapids. The Board decided to file a protest at the Public Hearing scheduled for January 9, 1980 at 7:00 P.M.

It was moved by Burr, seconded by Radke to pay 2½ times the assessed value when purchasing land for right-of-way, and to pay \$8.00/per rod for woven wire and \$6.00/per rod barbed wire for fence removal during 1980. If there are any trees or ornamental fence, the price is to be negotiated. Ayes--all.

It was moved by Burr, seconded by Samelson to make the proposed changes for road snow removal on the 1979-80 Buena Vista County road snow removal map as listed. Ayes--all.

The Buena Vista County Personnel Policy needs to be updated. The proposed changes were discussed and agreed upon. The policy will be updated and submitted for final approval.

It was moved by Burr to adjourn sine die.

The Board agreed to take this under advisement and have the County Engineer make a cost estimate for this road.

BOARD OF SUPERVISORS MEETING FOURTH MEETING, JANUARY SESSION (4) February 12, 1980

The Board of Supervisors of Buena Vista County met pursuant to adjournment with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Radke. Absent: Harjes.

Minutes of the January 29, 1980 meeting were read and approved.

Sheldon Weinert appeared in regard to taxes on his Mobile Home Park in Alta, Iowa and to request a decrease in the amount due. Auditor Julius read a letter from the County Attorney stating that he felt that no adjustment could be made by the Board of Supervisors as that was the function of the Board of Review. County Assessor Les Gingerich concurred with this opinion. He stated that the value could change again this year. After further discussion Mr. Weinert thanked the Board for listening and stated that he would try to more timely file any further complaints.

County Assessor Les Gingerich explained the procedure that needed to be followed in order to "forgive" taxes for new industry. A sliding scale, very definite guides, and a public hearing are needed before such action could be taken. Property inside corporate limits is handled by the city government involved. The Supervisors govern only property outside corporate limits.

Darel Burns, Drainage Engineer for Buena Vista County, discussed drainage matters concerning DD #181, DD Jt. #19 & 26, and DD #34. Whereupon it was moved by Samelson, seconded by Worthan, authorizing payment of \$1,638.00 for repairs on 19 & 26. Ayes--all.

It was moved by Samelson, seconded by Radke to place a letter on file in DD #1 concerning the Evans property. Ayes--all.

It was moved by Worthan, seconded by Radke that WHEREAS the engineers final report for Tree Clearing on Drainage District #34 by Carl Mauer Excavating of Sac City, Iowa has been submitted and read; the Buena Vista County Auditor is hereby instructed to publish the following drainage notice in the Sioux Rapids Bulletin-Press: TO ALL WHOM IT MAY CONCERN: You are hereby notified that the firm of Carl Mauer Excavating of Sac City, Iowa has completed its contract for Tree Clearing on Drainage District No. 34, and that the Engineer in charge has filed his final report in the matter. That 1:30 O'clock P. M. CST on March 11, 1980, has been set as the time of hearing on the said report in the office of the County Auditor, in Storm Lake, Iowa. That all claims against the Contractor must be filed in the office of the County Auditor not later than 1:30 P. M. CST March 11, 1980. s/ Lewis B. Julius, County Auditor Ayes--all.

It was moved by Radke, seconded by Samelson to increase the salaries for Gilbert Bentley and Max Atherton \$50.00 per month effective 1-1-80. Ayes--all

It was moved by Samelson, seconded by Radke to concur with the B. V. Co. Conservation Board and reappoint R. C. Kleaveland to another 5 year term on the Conservation Board ending 12-31-84. Ayes--all.

It was moved by Samelson, seconded by Radke to approve the following reports: January Magistrate Court, Board of Health, Public Health Nursing, ADTU. Ayes--all.

Walter Nordman, Sanitarian, reported that the Bryant Beef trial will be 1:30 P. M., February 22, 1980 in Magistrate Court.

It was moved by Samelson, Seconded by Worthan to authorize evaluations at Woodward for two Buena Vista County residents. Ayes--all.

The Regional Transit Authority director, Rose Haar, presented keys to the new transit bus to the board. The board then went outside to view the bus and take a short ride. Everything worked fine including the chairlift.

An overview of the proposed 1980 budget for the county was presented. Tuesday, February 19 at 9:00 A. M. was set for the time to have an "in depth" look and arrive at the preliminary budget, with the public hearing to be scheduled for March 11, 1980 at 2:30 P. M.

Claims were audited and allowed as follows:

G. Richard Burr, Chairman

BOARD OF SUPERVISORS MEETING SIXTH MEETING, JANUARY SESSION (6) March 11, 1980

The Board of Supervisors of Buena Vista County met pursuant to adjournment with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the February 26, 1980 meeting were read and approved.

It was moved by Harjes, seconded by Samelson to void warrant #018042 in the amount of \$43.00. Ayes--all.

It was moved by Worthan, seconded by Samelson to accept the low bids and award and approve the contracts and contractors bonds and authorize the Chairman to sign the contracts and bonds for asphaltic paving with Graves Construction Co., Inc., Melvin, Iowa and Midwest Paving Co., Sioux City, Iowa for projects: FM-11(4)--55-11 in the amount of \$441,062.96; L-BV-1-80-73-11 in the amount of \$180,229.40; and L-BV-2-80--73-11 in the amount of \$73,764.17. Ayes--all.

Harold Halverson, Arlan Bargloff and Gilbert Bentley, representing the Buena Vista County Conservation Board, appeared to request the "blacktopping" of the county road leading to the County Park in Brooke Township. The west mile would have to be graded. There is more use of the county parks anticipated due to the increased gasoline prices causing people to use the parks close to home. After much discussion and due to lack of funds, the Board of Supervisors will give this further consideration when they next discuss the road improvement program.

It was moved by Radke, seconded by Worthan to approve the following reports: March 3rd Livestock inventory, February report of the Care Facility and County Farm, ADTU, Small Claims, Public Health

SUPERVISOR'S RECORD, No. 17

Additional County Poor Fund Levy

BE IT RESOLVED by the Board of Supervisors of Buena Vista County, Iowa that the State Appeal Board be asked to approve an additional poor fund tax of \$157,293 and required tax rate to raise that amount for the following specific reasons: The original amount allowed of \$4,022 is not sufficient to even run the office. In addition, the County operates a Care Facility and supports a Work Activity Center and participates in other normal services relating to a Social Service office. Adopted unanimously by the Board of Supervisors this date.

Resolution Supporting Coordinated Public Transit Services

It was moved by Harjes, seconded by Worthan that the members of the Buena Vista County Board of Supervisors support the Regional Transit Authority as long as its efforts to develop a cost effective transit system can be documented; and BE IT FURTHER RESOLVED THAT, the County Board of Supervisors agrees to provide funding to agencies and organizations for full or partial support of transit operational costs and capital equipment only if the Regional Transit Authority had reviewed the services to be provided and provided an analysis and recommendation to the County; and support the Regional Transit Authority's considering agencies not coordinating their services to be in noncompliance with the Iowa Code and taking whatever action is necessary to facilitate compliance. Adopted unanimously this date.

It was moved by Radke, seconded by Worthan to approve the private contract with Maudlin Construction Co., Webster City, Iowa for maintenance gravel in the southwest area of the county in the amount of \$63,290.00. Ayes--all.

BOARD OF SUPERVISORS MEETING FIRST MEETING, SEPTEMBER SESSION (22) September 8, 1980

The Board of Supervisors of Buena Vista County met in regular session as required by law, at 9:00 A.M., with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke. Absent: None.

Minutes of the August 26th meeting were read and approved.

Martha Murray and 7 other persons from south of Section 31 and 32, Grant Township, appeared to show their concern about having the shoulders on their road "pulled up" instead of the grading that they thought was to be done. After much discussion the Board assured them that the County would try to obtain road easements this winter with the intent to grade in 1981.

It was moved by Harjes, seconded by Worthan to employ Robin Roberts in the Communications Center effective 8-25-80 as a Dispatcher at a salary of \$3.50 per hour. Ayes--all.

It was moved by Worthan, seconded by Radke to approve the August reports of ADTU, Care Facility and County Farm. Ayes--all.

THIRD MEETING, SEPTEMBER SESSION (24)
September 23, 1980

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Ayes--all.

BOARD OF SUPERVISORS MEETING
THIRD MEETING, NOVEMBER SESSION (30)
December 2, 1980

The Board of Supervisors of Buena Vista County^{met} pursuant to adjournment at 9:00 A. M., with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

A motion was made by Worthan, seconded by Harjes to reappoint Supervisor Orville Radke to serve as a member on the Administrative Board of Directors for the Third Judicial District Department of Correctional Services, Bureau of Community Corrections of the State of Iowa for 1981. Ayes--all.

Sheriff Galbraith and six Deputies requested a further upgrading in their pay and an increase in their fringe benefits for the coming year. After a lengthy discussion, the Board agreed to meet with them again at the next scheduled board meeting to see if the differences could be resolved.

It was moved by Radke, seconded by Worthan authorizing the Chairman to sign an application for the admittance of one person at Woodward for diagnostic evaluation. Ayes--all.

It was moved by Radke, seconded by Harjes to correct the Board minutes of July 29, 1980 found on page 69, Book 17 to read that custodial fees for election polling places shall be \$20.00 per election for each location, and \$25.00 for storage and rent for each non-tax supported location payable after each election in which the machines are used. Ayes--all.

It was moved by Harjes, seconded by Radke authorizing the Auditor to purchase a Cartridge Cleaner from Burroughs Corporation at a cost of \$1,170.00 including \$170.00 of supplies. Ayes--all.

OFFICIAL COUNTY NEWSPAPERS

It was moved by Harjes, seconded by Samelson that the official county newspapers for 1981 be named as per the signed agreement submitted, and that payment be made to the publishers as specified in the agreement, i.e., the Storm Lake Pilot-Tribune to be one "full" official paper reimbursed the full fee under state statute; the Storm Lake Register, Alta Advertiser, and the Sioux Rapids Bulletin-Press be named official county newspapers sharing equally the fees allowed for two official papers. They, thereby, would receive two-thirds of the statutory publication fees permitted for one full official newspaper. The publishers have agreed to this arrangement based on their application submitted in the past and their circulation in Buena Vista County. Ayes--all.

Mrs. Gladys Anderson presented the 1981-82 budget and budget request for the Albert City Historical Association, Inc. and states their projected future projects. They have not received the county allotment for this fiscal year ending 6-30-81 but will shortly. The Board agreed to take their request under advisement at the time the other requests are considered for the new budget.

It was moved by Samelson, seconded by Radke to approve the November reports of: RCOG, ADTU, Board of Health, Care Review Committee, County farm and Care Facility. Ayes--all.

BUENA VISTA COUNTY, IOWA

BOARD OF SUPERVISORS MEETING FOURTH MEETING, NOVEMBER SESSION (31) December 16, 1980

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A. M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the November 18th and December 2nd meetings were read and approved.

Statement of Assurances

It was moved by Radke, seconded by Worthan, authorizing the Chairman to sign the Federal Revenue Sharing "Statement of Assurances" for Entitlement Period 12. Ayes--all.

It was moved by Samelson, seconded by Harjes authorizing the Chairman to sign the application of Continental Telephone Company to bury 9 miles of telephone cable at various locations in the Newell area. Ayes--all.

Sheriff Galbraith and 5 Deputies inquired as to what if anything was going to happen in regards to fringe benefits. They were informed that the Board was not ready to make a decision at this time, however they felt that unusual expenses incurred in "line-of-duty" should be allowed as operating expenses.

It was moved by Harjes, seconded by Samelson authorizing the Chairman to sign an acknowledgment of the receipt of the Resolution for the 3rd Annexation of West Lakes Estates. Ayes--all.

It was moved by Samelson, seconded by Radke to approve the November reports of Public Health Nursing, Magistrate Court, County farm and Care Facility. Ayes--all.

It was moved by Worthan, seconded by Radke to approve the application for the construction of an underground water-line at Bel-Air Beach according to the plat attached. Ayes--all.

It was moved by Radke, seconded by Worthan to admit 2 residents to the Care Facility as of this date. Ayes--all.

Brad Raveling and Bruce McGowan, representing the Secondary Road employees, stated that their group was requesting a 5% increase in the base pay of the patrol operator, full family Health insurance and the "cost of living" or C.P.I. increase for 1981. This amounts to about 12% or \$1,800.00 per employee. The Board tabled action on the request until Friday when all county salaries would be considered.

Don Elk and Henry Kinney presented some proposals for 1981 liability and work compensation insurance. It was noted that 34 counties are now in the ISAC Work Compensation pool. They have a 26.9% retention factor. After much discussion, it was moved by Radke, seconded by Worthan to accept the ISAC plan for Work Compensation starting 1-1-81. The vote on this motion was Ayes--Worthan, Samelson, Radke. Nays--Harjes. Carried.

A motion was made by Harjes, seconded by Samelson to accept the ISAC plan for 1981 on the comprehensive general liability and umbrella liability policies. Ayes--all.

Road Vacation

It was moved by Radke, seconded by Samelson that the restoration work having been completed on the public highway 66 feet in width located with its center line between Sections 22-93-36 and 23-93-36 (Lee Twp.) and between Sections 20-92-36 and 21-92-36 (Lincoln Twp.) be accepted as completed this date, and that the County Auditor be instructed to put the land back on the rolls for taxation. Ayes--all.

It was moved by Samelson, seconded by Harjes to offer County Engineer Donald D. Linnan \$32,500.00 for 1981 and Drainage Engineer Darel D. Burns \$30,000.00 for 1981. After much discussion Harjes withdrew his second and Samelson withdrew his motion for further discussion. Whereupon it was moved by Radke, seconded by Worthan to offer Linnan \$32,000.00 and Burns \$29,500.00 for 1981. The vote on this motion being: Ayes--Worthan, Radke. Nays--Samselson. Abstain--Harjes. Motion carried.

Supervisor Harjes stated that the C.P.I. policy started in 1975 should be stopped as well as "time and one-half" for overtime. Salaries for Clerks should be frozen as well as for some secondary road employees in order to create a bigger gap between employees and foreman. Nobody would take a "cut" but some salaries would stay "as is". No more 1½ pay for overtime but the pay would remain the same as for calendar year 1980 but be equalized over the 2230 hours, this to be the hourly rate for 1981. This will be considered and discussed Friday.

It was moved by Worthan seconded by Samelson to accept the Compensation Board recommendations for salaries for elected officials for 1981 as recommended. Ayes--all.

BOARD OF SUPERVISORS MEETING FIFTH MEETING, NOVEMBER SESSION (32) December 19, 1980

The Board of Supervisors of Buena Vista County met in special session pursuant to adjournment, for the main purpose of discussing 1981 salaries for Buena Vista County employees under their jurisdiction. Chairman Burr presided with the following other members present: Worthan, Samelson, Harjes, Radke. Also present for the meeting were 25 persons from the news media, Care Facility and general public.

Jeanette Putney stated the Care Facility employees did not like the idea of a "wage freeze" or the "cost of living" being taken away. Betty Cone stated the farmers however would like to see a freeze and the "tightening of belts". Patricia Patten said there should be no discrimination between employees, that everyone should be treated alike. Supervisor Harjes said that was what the Supervisors were trying to do was to treat everyone alike.

Harold Poller inquired as to what "fringe benefits" were available. Betty Cone felt that the benefits for "road workers" were completely "out-of-line", and that everyone should work more for their present pay. Supervisor Worthan said everyone has to "tighten belts" including School Teachers. The School Teacher demands are completely out-of-hand.

Martin Glienke inquired about the Deputy Sheriffs not being able to take a second job and why they had to be available on short notice. Betty Cone stated that America has to go "back-to-work".

Chairman Burr then summarized what had been said and stated that consideration would be given to their remarks and thanked the public for coming and showing their concern.
