Auditor Julius stated the Office of Planning and Programming advised against this as being discriminatory unless it applied to all county employees. After another conversation with OPP by phone it was learned that time and one-half could be paid for emergency work only as long as it applied to everyone. Emergency work being that work done out of the routine of normal county business. Whereupon it was moved by Radke to pay overtime for emergency. This motion died for lack of a second. After further discussion in which it was stated that the department head would have to decide what constituted an emergency, it was also stated that the employee could have the option of taking compensatory time off at the rate of one and one-half times the hours worked for emergency work. Supervisor Radke then made the motion, seconded by Worthan to pay one and one-half (1½) overtime pay for emergency work for work done out of the normal routine of county government work as determined by the Department Head involved. The vote on this motion was: Ayes--Radke, Worthan. Nays--Harjes. Motion carried.

The Board accepted with regret the resignation letter of Don Linnan from the Commission of Veterans Affairs, effective February 1, 1981.

It was moved by Harjes, seconded by Radke to accept the salaries as recommended and stated in the Board minutes of December 23, 1980 with no changes. Ayes--all.

G. RICHARD BURR, CHAIRMAN

BOARD OF SUPERVISORS MEETING  
FIRST MEETING, APRIL SESSIONS (8)  
April 6, 1981

The Board of Supervisors of Buena Vista County met in regular session as required by law, at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Harjes, Radke. Absent: Samelson.

Minutes of the March 24, 1981 meeting were read and approved.

Nina Roberts, newly appointed Treasurer, thanked the Board of Supervisors for expressing confidence in her and appointing her as County Treasurer to complete the unexpired portion of the term being vacated by Herbert Sievers upon his retirement April 15th. A retirement party is scheduled to be held April 10th at 2:30 P.M.

Ted Van Grootheest, County Assessor, and Darel Burns, assistant County Engineer, discussed the error found in the number of acres accredited to parcel #6854, a recent survey determined that the parcel contains 6.65 acres less than stated on the tax listing. After much discussion it was moved by Radke, seconded by Harjes to correct the number of taxable acres but to allow no refund of taxes. Ayes--all.

It was moved by Radke, seconded by Harjes to allow the homestead tax credit to be transferred from parcel No. 139 to No. 148, being owned by the same person, and to allow a refund warrant in the amount of \$134.41 to be drawn in favor of the owner. Ayes--all.

Ferne Frederiksen, County Recorder, reported that she had been investigating copiers, and believes that the best for her purpose is a Sharp. After further discussion it was moved by Worthan, seconded by Radke to purchase a Sharp Copier from Iowa Office Supply at a cost of \$5,495.00. Ayes--all.

Don Elk, Colburn & Elk Insurance, brought over the policy covering Courthouse contents, and stated that he would like to be put on record for consideration as the agent for the Courthouse liability insurance. He will be given full consideration.

Larry Harris, a lawyer representing a client on an institutional claim asked for a reduction in the

Dan Williams, representing the Child support recovery unit, related that the amount collected this past year had almost doubled. Plymouth County is the host county and does the billing. It was moved by Harjes, seconded by Worthan authorizing the Chairman to sign the renewal agreement for 1981. Ayes--all.

It was moved by Radke, seconded by Worthan authorizing the Chairman to sign the application for approval of the underground construction across the county road, between Section 24 and 25 in Hayes township at the railroad right-of-way. Ayes--all.

Rose Haar, Regional Transit, stated it was time to purchase another bus. The Board informed her that they did not allow for it in the budget but that they would give it consideration.

Six persons from the Communication board met with the Board to explain the pay of the Communications personnel. Chief Feldhacker stated that the cost of living increase has been eliminated from their policy but that the wages are to be reviewed every 6 months, i.e., July 1, and January 1, furthermore the Buena Vista County Personnel Policy is to govern the communications personnel except where in direct conflict with the communications commission individual policies.

Eldon Woodford related the activities of the Disaster Services in Buena Vista County. The funding for the Disaster Services program is supposed to be on the basis of 15 cents per capita per year. Arrangements are being made to show a Tornado training film to the Care Facility, Secondary Road, and Courthouse personnel.

Steve Feldick said that he represented about 150 persons who were quite concerned about what was being done to provide adequate disaster protection. The current plans need updating badly. The Board agreed to investigate.

Phillip Johnson, a representative from the Industries Council, stated that he currently is representing about 17 counties in labor negotiations. He is employed by an association that has a 10 person board and has its own legal counsel. The annual membership fee is \$200.00. An additional charge of \$38.00 per hour for representing a specific county plus travel expenses of 20 cents per mile and \$15.00 per hour travel time. After further discussion it was moved by Harjes, seconded by Radke to employ Phillip Johnson from the Industries Council to represent Buena Vista County as their representative in dealing with collective bargaining matters at a cost of \$200.00 a year for membership in the organization. Ayes--all.

Barney Roberts and Kirby Roberts, representing Iowa Office Supply, stated that they would be willing to service all of any of the typewriters in the courthouse on a per call basis. This would be at the rate of \$33.00 per hour, pro-rated to the quarter hour, or a minimum of \$8.50. A complete overhaul including submersion is \$65.00. This will be considered by the Department heads, all of them being present for this discussion.

A letter was received from Judge Cooper who stated that Norris Olney Jr. was not eligible to serve on the Judicial Magistrate Commission since he is a lawyer and lawyers are not eligible for Boards of Supervisors appointments to this commission. After further discussion it was moved by Worthan seconded by Harjes to appoint Ron Haroldson to serve on the Buena Vista County Judicial Magistrate Appointing Commission for the term expiring 12-31-84. ## BOARD OF SUPERVISORS MEETING SECOND MEETING, APRIL SESSION (9) April 21, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M., Chairman Burr being absent to attend a meeting at Des Moines concerning "jail standards", it was moved by Radke, seconded by Samelson to appoint Don Harjes as Chairman Pro-tem for this meeting. Motion carried. Those present for the meeting were: Worthan, Samelson, Harjes, Radke. Absent: Burr.

Minutes of the April 6th meeting were read and approved.

Drainage Engineer Darel Burns stated that a meeting with the Sac County Board of Supervisors was needed to discuss the joint drains. After phoning the Sac Board, the meeting was scheduled for 1:30 P.M., Wednesday, April 29th, 1981 at the Sac County Courthouse.

County Attorney Cory Ritchie and County Engineer Don Linnan, together with Darel Burns discussed updating the county zoning ordinance and what needs to be done to accomplish this. The ordinance needs to be more specific on junkyards and encroachments, etc. A joint meeting with the county zoning commission will be held in order to reach a decision on what changes are needed, then a public hearing will be held to get the taxpayers reaction, and to adopt the changes agreed upon. It was then moved by Radke, seconded by Worthan to authorize the Zoning Administrator to contact the zoning commission and establish a joint meeting with the Supervisors to discuss, review, and update the Buena Vista County Zoning Ordinance and Subdivision regulations. Ayes--all.

Mr. Dan Gano, operator of Dan's Marina, was in to meet the Board and to obtain a cigarette permit and beer license for the marina. It was moved by Samelson, seconded by Worthan to grant a Cigarette permit, Class "C" Beer license and Sunday sales permit to Dan's Marina, Casino Beach, everything being in order and being accompanied with the proper fees. Ayes--all.

Catherine Farnsworth, representing D.A.R., approached the Board to inquire about getting permission to permanently display a plaque somewhere in recognition of the efforts and work of the Storm Lake Fire Department in the setting up and removing of the flags displayed around the Courthouse on Memorial Day, Independence Day, and Veterans Day. The Board reacted favorably. Ms. Farnsworth will be present at the next Board meeting with more detailed information.

It was moved by Worthan, seconded by Samelson to grant a Special Use permit to Thomas Petty allowing him to put a Mobile Home on a 10 acre tract in the southeast quarter of the southeast quarter of Sections 12 Barnes township (SE $\frac{1}{4}$ SE $\frac{1}{4}$  12-93-37). Ayes--all.

It was moved by Radke, seconded by Worthan to purchase a Sharp copier from Iowa Office Supply at a cost of \$2,495.00 rather than lease it at a cost of \$92.81 per month as stated in the Board minutes of April 6, 1981. Ayes--all.

It was moved by Samelson, seconded by Worthan to approve the application of CTC of Iowa (Continental Telephone) to bury cable in the road ditch and under C 49&N-14 northeast of Newell in sections 35, 27, and 26 in Coon Twp. Ayes--all.

It was moved by Radke, seconded by Samelson to approve the application of Northwestern Bell Telephone Co. to bury cable in the road right-of-way 4 miles northwest of Storm Lake between sections 8, 9, 16 and 17 in Washington Twp. Ayes--all.

The Board of Supervisors agreed that a public notice be placed in all of the newspapers in the County in regard to Iowa Code Section 319.14 dealing with physical changes within the right-of-way of a county public road without first obtaining a permit to do so. This will be in the next issue of the newspapers.

It was moved by Worthan, seconded by Radke authorizing the County Treasurer to deposit the 2nd quarterly payment of Entitlement Period 12 General Revenue Sharing in the amount of \$73,756.00 in the Security Trust & Savings Bank, Storm Lake at interest. Ayes--all.

It was moved by Samelson, seconded by Radke to install awnings on the 4 west windows of the dining room at the Care Facility. Ayes--all.

### BOARD OF SUPERVISORS MEETING FIFTH MEETING, APRIL SESSION (12) May 19, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the May 5th and 11th meetings were read and approved.

Corwin Ritchie, County Attorney, and County Engineer Don Linnan presented their findings on encroachment in the road ditches by land owners. This results in the loss of Boundary markers, destruction of grass cover, dirt filling ditches, blocking of drainage intakes, etc. The county has an obligation to maintain the right-of-way, and will notify the landowner of their intent to do so.

Donna McPherrren, Clerk of Court for Buena Vista County, inquired about the Buckingham Trust Fund. She was instructed to reinvest the fund in a money-market certificate.

County Sheriff John Galbraith asked about raising the daily fees for use of the county jail when used for "out-of-county" prisoners. He was instructed to leave the fee "as is" for the time being. It has been this rate for the past two years.

It was moved by Harjes, seconded by Samelson to approve the class "C" liquor license and Sunday sales permit for Lake Creek Country Club, everything being in order, and being accompanied with the proper fees. Ayes--all.

It was moved by Radke, seconded by Worthan authorizing the Chairman to sign an agreement with the State Department of Social Services for the use of Title XX monies with a 25% county "match". Ayes--all.

It was moved by Worthan, seconded by Samelson to reappoint Bob Brostad, Linn Grove, Iowa to the Commission of Veterans Affairs for a 3 year term starting July 1, 1981. Ayes--all.

It was moved by Worthan, seconded by Samelson to approve the April reports of: Public Health Nursing, Sanitarian, County farm and Care Facility. Ayes--all.

## SUPERVISOR'S RECORD, No. 17

MATT PARROTT &amp; SONS CO., WATERLOO, IOWA 78-0180

## Resolution

It was moved by Radke, seconded by Worthan authorizing the County Engineer to close any and all County roads on which construction is proposed, in order to facilitate construction, and for the duration of the construction, and to close any County road for necessary maintainance repairs, and to mark all detours, as necessary, without requiring any further authorization. Ayes--all.

It was moved by Worthan, seconded by Radke to reappoint Beverly Harjes, Lakeside, Iowa to the Sioux Lakes Emergency Medical Services Board of Directors for the ensuing year. Ayes--all.

It was moved by Samelson, seconded by Radke to grant the request of the Buena Vista County Treasurer, Nina Roberts to employ Janet Halden in the Treasurers Office starting Tuesday, May 26th at a salary of \$3.75 per hour. Ayes--all.

The Board of Supervisors instructed the County Auditor to have an official notice published in all the county newspapers in regards to encroachment in the county road right-of-way.

The Auditor reviewed the current budget and stated that the way it looks now, it will not be necessary to amend any funds this year but some departments within a fund may have to be amended. The Chairman and Auditor called Marge Schneider in regards to the proposed budget request to the State Appeal Board for an additional poor fund levy being decreased by the Appeal Board. To date, no official action has been received. Mrs. Schneider stated that the notice would probably be mailed this Friday and then 20 days would be allowed to request an additional hearing if desired. The Board will probably make this request.

Claims were audited and allowed as follows:

Dr. Rhodes, Buena Vista County Medical Examiner, was in to discuss the pay for the Medical Examiner and for autopsies. He was given several copies of the survey taken showing what other counties in the state are paying. He is going to discuss this with the county Medical Society and report back with his findings.

Clyde Bartel, resident Maintenance Engineer for IDOT presented a letter proposing to upgrade the load capacity of a bridge 4.4 miles east of the junction of Highways 71 and 10, or 3½ miles west of Marathon on Highway 10. This would require supports in the drainage channel. County Engineer Linnan and Drainage Engineer Burns stated that the state needs to develop a policy for this sort of improvement. This will be researched further before giving permission for the improvement.

A letter was received from the State Appeal Board reducing the levy for the Poor fund which was asked for, by \$90,000.00. The County Auditor was instructed to write a letter for the Board of Supervisors requesting reconsideration and the reasons for the needed amount asked for originally. This must be done within 20 days and must be determined by the Appeal Board before budgets can be approved and taxes computed. Taxes may be late this year.

Roger Sarchet, representing "Red Barn", and Vivian Keister and Anita Hallquist, from the Social Services Department, discussed the 1981-82 proposed "Red Barn" budget. Mr. Sarchet was complimented for his work with the redemption center and getting the "Red Barn" on a self-sufficient basis, or partially so.

Larry Welsh, hospital administrator, and Steve Feldick, director of emergency services for the hospital discussed replacing a 1974 ambulance unit. All the ambulance units are wearing out, breaking down, and need replacing. The bare minimum amount needed to replace one unit is about \$26,000.00. Steve Feldick stated the original agreement was for the hospital to maintain the ambulance and for the county to purchase and replace when needed. There are 4 units, 2 located in Storm Lake, one in Sioux Rapids and one in Albert City. Chairman Burr said there is nothing in the budget for this year. To make another request when the next budget is prepared.

It was moved by Harjes, seconded by Radke to approve the request for a speed study and traffic investigation at 3 locations: 1. C-65 north thru section 16 Hayes Twp. to junction with South Cove subdivision road. 2. Road thru South Cove subdivision. 3. Road thru Stoney Point subdivision. (All being located in section 16-90-37). Ayes--all.

One person appeared in regards to a Mental Health account and who is responsible for the recipient, the care involved and the costs involved. After discussion, it was moved by Harjes, seconded by Radke to accept \$8,891.30 as full payment this date, 6-2-81, of the account listed on page 92, Book 6 Institutional accounts. Ayes--all.

It was moved by Samelson, seconded by Worthan to comply with the order of the District Court for the 3rd Judicial District and agree to the salary of \$15,000 per year for Roxann M. Winch as a Probation Officer for this district. Buena Vista County's share is 20%. Ayes--all.

It was moved by Worthan, seconded by Harjes to approve the application of Crossroads Motel and Lounge for a class "C" liquor license, everything being in order. Ayes--all.

It was moved by Radke, seconded by Samelson authorizing the Chairman to sign the trust document for the ISAC workers compensation program "participating insurance endorsement". Ayes--all.

It was noted that the value of the Care Facility was increased for insurance purposes on both the facility and the custodians residence to \$811,055.

The cost of hospital insurance for Buena Vista County employees will be increased for FY 1981-82 to \$36.58 for single coverage and \$90.32 for family coverage or about a 28% increase.

BOARD OF SUPERVISORS MEETING  
FIRST MEETING, JUNE SESSION (14)  
June 8, 1981

The Board of Supervisors of Buena Vista County met in regular session as required by law, at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

County Engineer Don Linnan reported on the status of some of the blacktop roads in the county. Some need patching, and portions of M-50 need an additional one inch overlay. Money would be available because of maintenance gravel not purchased, but budgeted. Burr said that if this can be done without penalizing the rest of the secondary road program for the year, we should do so.

Larry Hutchinson, representing the Northwest Iowa Planning and Development Commission (formerly the Regional Council of Governments) stated that our Over All Economic Development Program needs to be updated to keep it on an active basis with which to attract new industry. Harjes stated the important thing was to hang on to what we now have. We are trying to do this also. It was moved by Samelson, seconded by Harjes to send a letter to Denver requesting a continuation of the program. Ayes--all.

It was moved by Samelson, seconded by Worthan to approve the following cigarette permits: 3 & 71 Truck Stop and the Storm Lake Municipal Golf Course. Ayes--all.

It was moved by Harjes, seconded by Radke to reappoint John B. Anderson to the Title XX Advisory Board for the term ending 6-30-83. Ayes--all.

Joint Drainage Districts 16-30-92, 36-38, and 200 were discussed. Public hearings for these districts were set for Thursday, August 6, 1981.

An appearance at the State Appeal Board Hearing on the county budget will be made. This is scheduled for Monday, June 15, 1981 at 1:30 P.M.

George Schaller stated that the public is driving thru the bean fields on the west side of Bel Air Access. There has been a fence there but the posts continue to be broken down so the people can drive to the lake. This has been planted to beans and is expensive to not be able to harvest a crop. It is the responsibility of the county conservation board to keep people out of the field. The Board of Supervisors will talk to the Conservation Board to see what can be done.

It was moved by Worthan to adjourn to Tuesday, June 16th at 9:00 A.M.

BOARD OF SUPERVISORS MEETING  
SECOND MEETING, JUNE SESSION (15)  
June 16, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the June 2nd and June 8th meetings were read, corrected and approved.

Tom Frederiksen, Commissioner of Veterans Affairs, discussed some of the changes made in the laws this session affecting veterans affairs, and some of the veterans receiving aid. This will be considered and reviewed at the next board meeting.

George Stewart, Bill Lanphere, Clarence Krepps and Charles Wetherell, representing Storm Lake Industrial Development Commission, discussed the laws allowing for location of industry, tax incentives for industrial growth, and the possible use of industrial revenue bonds. The bonds do not obligate the county whatsoever and they are attractive to industry. The graduated tax exemptions are also attractive. This is for the good of the entire county, not just Storm Lake, and affects only industry being located outside the corporate limits in the County. The board will discuss this further. It was also mentioned that Hygrade would like to have the road past the E side of Jim McKenna's farm blacktopped as it is used quite extensively by their stock trucks. This will be investigated further.

It was moved by Radke, seconded by Worthan to forgive all taxes due on parcel #5581.00 by certificate of adjustment. There is no longer any building there. Ayes--all.

It was moved by Samelson, seconded by Radke to approve the May reports of Public Health Nursing, Magistrate Court, County farm & Care Facility. Ayes--all.

It was moved by Harjes, seconded by Samelson to approve the 1981 cigarette permits for: Jensen D-X Service, Linn Grove; Wesley Peterson D-X Service, Alta; Lake Creek Country Club, Storm Lake; Dan's Marina, Storm Lake; Little Sioux Golf & Country Club, Sioux Rapids, and The Country Store, Storm Lake. Ayes--all.

It was moved by Radke, seconded by Samelson to approve the Food service establishment license and Class "C" beer permit and Sunday Sales permit for the Country Store, Storm Lake. Ayes--all.

Darel Burns, Drainage Engineer, and Mr. & Mrs. Charles Cochrane and Francis Svuba, from Poland Township, discussed water intakes for D.D. #198. There was water standing in their fields after the last rains due to a furrow being cut, resulting in the water remaining on his land which results in slower drainage. The Board and Drainage Attorney will physically investigate this problem, and will do all legally possible to correct this situation.

Deane Campbell, "Red Barn" Director, and Vivian Koester and Anita Hallquist from Social Services

# BUENA VISTA COUNTY, IOWA

cost to Red Barn and will adversely affect their budget. Mr. Harjes will talk with John Lapitz to see what if anything can be done.

It was moved by Worthan, seconded by Samelson, to concur with the request of the Communications Board and to increase the salary for Jeff Feldick to \$5.83 per hour effective July 22, 1981, and the salary of Robin Roberts to \$5.83 per hour effective August 25, 1981. Ayes--all.

It was moved by Harjes, seconded by Radke to grant the request of Brenda Otto which had been approved by the Clerk of Court, Donna McPherren, for maternity leave and the return to her job upon completion of the leave. Ayes--all.

Claims were audited and allowed as follows:

BOARD OF SUPERVISORS MEETING  
THIRD MEETING, JUNE SESSION (16)  
June 30, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the June 16, 1981 meeting were read, corrected and approved.

It was moved by Worthan, seconded by Samelson to concur with the order of the Chief Judge for the 3rd Judicial District and approve the salaries as submitted for the Court Reporters and the Probations Officers for fiscal year 1981-82, a copy of the orders being on file in the Auditors Office. Ayes--all.

It was moved by Harjes, seconded by Radke that effective July 1, 1981 mileage shall be paid at the rate of 22 cents per mile for necessary mileage traveled by county officials and employees. Ayes--all.

It was moved by Radke, seconded by Worthan to pay members of the Buena Vista County Veterans Affairs Commission effective July 1, 1981 \$25.00 for each month during which the members attends one or more commission meetings and that person shall be reimbursed for mileage the same as a member of the Board of Supervisors. Ayes--all.

A petition signed by four landowners requesting the closing and vacating of a road between sections 22 and 23, township 91, range 37 which no longer serves any useful purpose. This will be brought to a public hearing August 11, 1981 along with some other roads to be presented for vacating.

It was moved by Samelson, seconded by Radke to concur with the recommendations of the State Department of Health and increase the salaries for the Public Health Nurses effective July 1, 1981 as follows: Darlene Peterson to \$18,012.80 per year; Jacqueline Binder to \$17,305.60 per year; Patricia Torrington to \$8.32 per hour. Ayes--all.

Cindy Wagner, Social Service, and Betty Ohlund, Day Care Center, discussed day care recipients that are over the Title XX guidelines. A sliding fee will be used. Costs are now \$7.50 per day. For those over the guidelines unspecified donations could be used to pay part of the costs if they could be matched by county funds. About 8 persons are presently involved. They would like about \$3,000.00 to be earmarked for this purpose. The decision will be delayed until the next board meeting.

It was moved by Harjes, seconded by Samelson to appoint John Massop to the Buena Vista County Zoning Board of Adjustment for a 5 year period effective 6-21-81 replacing Roy Hess. Ayes--all.

It was moved by Worthan, seconded by Radke to discontinue the suspension of taxes on lots 3 and 4, Block 12, Lakeside Second Addition to Lakeside Beach, Iowa as of this date, the property having been transferred. Ayes--all.

1:30 P.M. -- The time having arrived for the public hearing to consider the request of Guy Wagner for the rezoning of a parcel of land in the northeast quarter (NE $\frac{1}{4}$ ) of Section 7-91-35 from F-Rural Farm to M-Industrial to obtain a special use permit to establish a salvage yard. Zoning Administrator Don Linnan reviewed the zoning board action, and after due consideration it was moved by Samelson, seconded by Worthan to concur with the zoning commission's recommendation and deny the request. Four persons were present for the hearing. Motion carried unanimously.

# BUENA VISTA COUNTY, IOWA

A letter from Dr. Shea, Secretary of the Buena Vista County Medical Society was read and discussed at length. The letter still requested \$60.00 per call and \$60.00 for each additional hour involved. Supervisor Worthan stated the doctors were not thinking too clearly when you consider that the hospital and equipment is furnished to them at no charge. It was felt that no further action should be taken until the Medical Examiner negotiates in person with the Board.

The Board will continue with the present Medical Examiner and the present method of appointing the Medical Examiner upon the recommendation of the County Medical Society. After further consideration it was moved by Samelson, seconded by Harjes that the Buena Vista County Medical Examiner be paid \$50.00 per case plus mileage and necessary expenses as of July 1. The vote on this motion was Ayes: Worthan, Samelson, Harjes. Nays: Radke. Motion carried.

Janice Mason, Pitney-Bowes representative, made a proposal on a postage machine and scale with two different systems. After due consideration, no decision was made, but it was decided to call a meeting of the department heads to discuss this matter and report back to the Board with their desires. The Treasurer and the Clerk are the big users.

It was moved by Harjes, seconded by Worthan to mark the accounts paid in full as of this date, the accounts being found on page 536, Book 4 and page 51 of Book 6, and including page 116 of Book 6, to be marked "paid in full". Ayes--all.

It was noted that ambulances are to be purchased out of the depreciation fund maintained by the hospital for that purpose, according to agreement on file in the Auditor's Office.

Chairman Burr appointed Supervisors Burr and Harjes to count the cash in the various offices at the end of the fiscal year 6-30-81.

It was moved by Samelson, seconded by Radke that the following budgeted funds be amended in the amount requested, there being sufficient unused funds within the stated funds as follows:

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan Samelson, Harjes, Radke.

Minutes of the July 14th meeting were read and approved.

IT WAS MOVED BY Samelson, seconded by Worthan to grant the request of Sheriff Galbraith to employ Kevin McKinney as a jailer effective August 2, 1981, at a salary of \$11,140.00 per year and to classify Joseph Huen as 2nd jailer at a salary of \$12,110.76 per year effective the same date. George Stewart and 7 other persons representing the Storm Lake Industrial Board inquired about the use of industrial bonds in Buena Vista County. The County Attorney was present for the meeting and stated he could see nothing wrong with them. The Board reacted favorably to the discussion. Whereupon the following resolution was presented and approved:

Resolution

BE IT RESOLVED, this 28th day of July, 1981, that the Buena Vista County Board of Supervisors is favorably disposed to the issuance of Industrial Revenue Bonds for the encouragement of industrial development in Buena Vista County. s/Burr, Radke, Worthan, Samelson, Harjes.

It was moved by Worthan, seconded by Samelson to approve the salary increase for Assistant County Attorney W. Ted Brown of \$215.00 per month effective July 1, 1981 for a total of \$1,163 per month or \$13,956 per year, fiscal year 1981-82. Ayes-Worthan, Samelson, Radke. Naves--Harjes. Carried.

It was moved by Harjes, seconded by Radke to accept the proposal of Northwest Glass Company, Spencer, Iowa in the amount of \$200.00 for a bronze thermo-pane window in the Assessors Office to replace the broken one. Ayes--all.

A new supply of up-to-date plat books will be for sale at the Auditor's Office about November 1st.

The Board of Supervisors regretfully accepted the resignation of Vivian Keister as Director of the Social Services Department for Buena Vista County effective October 1, 1981. We wish her well in her retirement.

1:30 P.M. -- The time having arrived for the meeting with the Buena Vista County Hospital Board of Trustees. 14 person were present for the meeting so the location was moved to the Public Meeting Room. A letter was received from one concerned taxpayer. Some prepared material was presented by the Hospital Administrator for consideration. Chairman Burr made some opening remarks expressing the attitude and concern of the Supervisors in regards to the ambulance service. Chairman of the Hospital Board, Bruce Anderson, stated that the hospital board didnot feel that it was their responsibility to run the ambulance service, and inquired if the user should pay the entire cost of the service. He felt it was the hospital board's responsibility to train the operators. The present cost of service is \$35 per case, plus \$1.20 per loaded mile. The ambulance have depreciated over an eight year period but there is no money available to replace the units as the depreciation money was used in the general fund. After much further discussion it was left with the Hospital Trustees as their responsibility to govern the ambulance situation.

Claims were audited and allowed as follows:

BOARD OF SUPERVISORS MEETING  
NINTH MEETING, JUNE SESSION (22)  
September 8, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes. Absent: Radke.

Minutes of the August 25, 1981 meeting were read and approved.

It was moved by Worthan, seconded by Samelson to approve a Class "C" liquor license for Bette Meyer and Glen Henderson at the Crossroads Motel and Lounge, everything being in order and being accompanied with the proper fee. Ayes--all.

It was moved by Harjes, seconded by Samelson to use Buckingham Trust money for dental work for two children. Ayes--all.

Mayor Frank Rassler and four persons from Albert City, along with Sheriff John Galbraith met with the Board to discuss the renewal of the Law Enforcement contract and the changes needed. Mayor Rassler stated the present contract calls for 8 hours of surveillance everyday, but some days they only receive 3 or 4 hours. Sheriff Galbraith stated he is confident that they are getting more than adequate enforcement, any further coverage would necessitate another man and this would increase the cost to Albert City. Merle Hogrefe says the present man is not visible enough in his patrolling and the citizens are concerned. Don Eaton said that he appreciates the situation but wants to know if there is an alternative such as scheduling the hours to be worked. Merle Hogrefe feels the County should offer 3 options to the city, so that they can determine what they want and can afford. Sheriff Galbraith said he would have to discuss this with the Deputy and with their city council before any changes could be made.

It was moved by Samelson, seconded by Harjes authorizing the Chairman to sign a card of intent stating

# BUENA VISTA COUNTY, IOWA

It was moved by Harjes, seconded by Samelson authorizing the County Auditor to employ Donna Holstein in the auditor's office starting October 19, 1981 at the rate of \$693.34 per month, and to increase Karen Strawn to \$736.67 per month, Jean Eckerman to \$918.67 per month, and Sue Kennedy to \$3.50 per hour, all becoming effective October 5, 1981. This is because of the change in job responsibilities. Ayes--all.

George Stewart and 8 other property owners on South Shore Road requested that they be allowed to blacktop their road with a "seal coat" with the property owners paying the entire cost. County Engineer Linnan says that it will not be any cheaper than maintaining a gravel road, and that there would have to be an agreement as to how and who should maintain the road. George Stewart states that all the residents feel that they deserve more than what they have now in the way of a road. After further discussion it was moved by Harjes, seconded by Samelson, that this group be given permission to proceed with their road program at their own expense, and, upon completion, the county agrees to fix chuck holes but that any further resurfacing would be at this group's own expense. Ayes--all.

It was moved by Worthan, seconded by Harjes to approve the August reports of: ADTU, Magistrate Court, Public Health Nursing, County Farm and Care Facility. Ayes--all.

Bob Wissink arranged for a demonstration of a Rotary Mower to be held in Hayes Township at 11:00 A. M., Friday, September 11, 1981.

Claims were audited and allowed as follows:

### BOARD OF SUPERVISORS MEETING THIRD MEETING, SEPTEMBER SESSION (25) October 6, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the September 22, 1981 meeting were read and approved.

## SUPERVISOR'S RECORD, No. 17

MATT PARROTT &amp; SONS CO., WATERLOO, IOWA 78-0160

County Assessor Ted Van Grootheest requested that a tax adjustment be made on a parcel in Rembrandt Corporation that had been incorrectly assessed. Whereupon it was moved by Harjes, seconded by Radke to change the taxes on Parcel #3315.00 Rembrandt Corporation from \$100.79 to \$6.26 by certificate of adjustment to correct the error. Ayes--all.

It was moved by Samelson, seconded by Worthan authorizing the County Sheriff to employ James Smith as a jailer effective September 27, 1981 at a salary of \$11,140.00 per year. Ayes--all.

It was moved by Radke, seconded by Worthan to approve the following reports: Annual Northwest Iowa ADTU; 1st quarter Local Board of Health, NIPDC, Auditor, Small Claims, Clerk of Court; September Public Health Nursing, ADTU, Small Claims, County farm and Care Facility. Ayes--all.

It was moved by Radke, seconded by Samelson to admit one person as a resident at the Care Facility as of this date. Ayes--all.

Larry Jensen and Ralph Walter discussed the county weed program and what should be done in 1982. They will continue with the same type program. November 3rd was the date set for the purchasing of weed spray chemicals. Larry Jensen and Darel Burns then discussed what should be done for brush control along and in the drainage districts. Mr. Jensen will be back for further discussion at the next board meeting.

Steve Roth, Clark Christensen and Phil Redenbaugh requested help for surfacing the road going south at the Casino Beach area. Mr. Roth stated that the residents might be willing to have a program similar to what the South Shore Road residents are doing. He says the residents are entitled to dust control and since county financing is not readily available, the residents might help defray the expenses. The Board will talk with the County Engineer to see what if anything can be done.

John Bireline, Gayle Harrison, and Susan Bireline reported on the consolidation of three county newspapers into one to be called the Buena Vista County Journal. The Board informed them that they would continue to be an official county newspaper in place of the Alta Advertiser, and wished them success in their new venture.

It was moved by Harjes, seconded by Samelson to approve the application for underground construction by the City of Lakeside, Iowa of a water main between Cedar and Birch streets. Ayes--all.

It was moved by Worthan, seconded by Harjes to accept the low quote of Overhead Door Co. in the amount of \$11,600.00 for the installation of insulated doors at various locations. Ayes--all.

It was moved by Worthan, seconded by Samelson to concur with the recommendation of the Lincoln Township Trustees and to appoint Ervin Bolte to the Lincoln Township Fire District Board of Trustees to replace Herb Ripke for the term expiring July 1, 1984. Ayes--all.

It was moved by Radke, seconded by Harjes authorizing the insurance on the courthouse building to be increased sufficiently for the valuation to be enough to qualify for 80% co-insurance, thereby increasing the premium \$184.00 Ayes--all. The courthouse building shows an insurable value of \$2,256,300.00.

The tentative proposed agreement with the City of Albert City was discussed and some changes were made. Sheriff Galbraith will present this to the Albert City Council for their perusal and acceptance. The effective date will be September 1, 1982.

The state proposed jail standards were discussed. A copy is on file in the Auditor's office for further consideration. Legislative action is required before becoming law.

BOARD OF SUPERVISORS MEETING  
FIFTH MEETING, SEPTEMBER SESSION (27)  
October 29, 1981

The Board of Supervisors of Buena Vista County met in special session at 10:00 A.M. in the Public Meeting Room, as advertised, with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes. Absent: Radke. Also present for the meeting were Phil Johnson, Labor Relations Consultant for Buena Vista County, and Bernie Proczak and Ron Preston representing the local union #191; Care Facility Union President Robert Duval, and Mike and Sue Morrow, Administrators at the Care Facility.

This meeting was the first collective bargaining negotiation session between the Buena Vista County Care Facility and United Food & Commercial Workers Union Local No. 191. The total proposal made by the union was presented and consisted of 32 pages. Ron Preston stated he realized the demands were quite lengthy as they had taken the county personnel policy and expanded from there, and he hopes that at the next meeting they can get into negotiations.

Phil Johnson said they would review the proposal. He then reviewed the procedures to be followed, the next meeting has to be within 14 days. This is when the county makes their proposal. If needed the union then asks for mediation, which is at no cost to the county. Then if needed they then go into fact-finding, at which a fact-finder makes recommendations but these are not binding. Then, if needed, they go into arbitration. This is where the Union makes a Proposal and the county makes their proposal. Neither proposal can be altered by the Arbitrator unless the proposer agrees to the alter-

BOARD OF SUPERVISORS MEETING  
SECOND MEETING, NOVEMBER SESSION (29)  
November 17, 1981

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the November 3rd and 9th meetings were read and approved.

Bruce McGowan and Tom Flanigan, on behalf of all the Secondary Road employees, requested a 6% increase in salary for 1982 based on a motor grader operator's wage. This will be considered when the other salary requests are considered.

County Engineer Don Linnan inquired as to what should be included in the 1982 road budget for equipment, a motor grader or a drag-line. After further discussion, it was moved by Samelson, seconded by Worthan to approve the 1982 Secondary Road budget and Construction program. Ayes--all.

Don Elk presented a refund check in the amount of \$13,853.00 as the amount approved for refund by the audit on the 1980 Work Compensation Insurance. This makes the amount for the 1980 Work Comp insurance \$20,185.00 for calendar year 1980.

It was moved by Radke, seconded by Samelson to approve the reports of the Sanitarian for August and September; October Board of Health, Public Health Nursing, Magistrate Court, County Farm and Care Facility. Ayes--all.

It was moved by Worthan, seconded by Radke authorizing payment from the Buckingham Trust account for 2 persons in the amount of \$251.00. Ayes--all.

Bob Coffman, Sioux Rapids Bulletin-Press, and Jerry Wiseman, Storm Lake Newspapers, met with the board to discuss the official county newspapers. John Bireline, Buena Vista Journal was present for the discussion. Mr. Coffman explained how the official papers are based on paid subscriptions, and how the county and the papers have agreed on which papers are to serve as the official papers and the payment to be made to each. The sale of the Alta Advertiser necessitates the new determination for 1982. No action was taken. Official requests will be submitted before the first of the year.

Mrs. Gladys Anderson, President of the Albert City Historical Association reported on how the county contribution was used this year. They are requesting a like amount for 1982. This will be considered in January along with the other requests when the county budget is compiled.

A letter from Faith, Hope, and Charity was read informing the board that the funding for 1982 will be completely different as the State government will no longer be funding. The funds will be 53% federal and 47% county funds. Faith, Hope, and Charity is planning on expanding the facility also.

It was moved by Radke, seconded by Samelson authorizing the County Auditor to issue identification cards to county officials as requested. Ayes--all.

Rod Braun and Lester Gingerich, representing Lutheran Family Services, asked for a letter of necessity for a group home housing 9 persons. Nine persons have requested housing and all are from Buena Vista County. The decision was delayed pending further investigation.

Permission was granted to close the courthouse at noon on December 24th for an in-house Christmas party.
