BOARD OF SUPERVISORS MEETING
SEVENTH MEETING, 1982 SESSION (7)
March 9, 1982

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the February 23, 1982 meeting were read and approved.

It was moved by Radke, seconded by Samelson that the Buena Vista County Board of Supervisors acting as a Board of Canvassers for the special election for the City of Albert City, Iowa, canvassed the election results and found them to be as follows: 107 ballots cast with 72-No, 35-Yes. Thereby, the measure was defeated, the measure being to establish a capital improvement reserve fund with an annual levy of 67½ cents per one thousand dollars taxable valuation. This motion to accept the canvass was unanimous.

It was moved by Worthan, seconded by Samelson authorizing the Chairman to sign a contract with the Northwest Iowa Mental Health Center to provide services to Buena Vista County during fiscal year 1982-83. Ayes--all.

It was moved by Radke seconded by Harjes to approve the following reports: February: Public Health Nursing, Magistrate Court, ADTU, County Farm and Care Facility; Annual: ADTU. Ayes--all.

It was moved by Harjes, seconded by Worthan to concur with the Lincoln Township Trustees and accept the resignation of Elmer Garberding as a Lincoln Township Trustee and to appoint Roger Sievers to fill the vacancy for this term which expires in 12-31-84. Ayes--all.

It was moved by Samelson, seconded by Worthan to approve a Class "C" liquor license for the Cross-roads Motel & Lounge. Ayes--all.

It was moved by Samelson, seconded by Radke to accept the proposal of Fort Dodge Asphalt Company for surface maintenance work on approximately 24½ miles of asphaltic paving in Buena Vista County. Ayes--all.

1:30 P.M. -- The time having arrived for the Public Hearing on the proposed 1982-83 budget for Buena Vista County. Two persons were present for the hearing. Paul Marshall stated a report prepared by the state called "statistical Profiles" shows the county budget to be larger than the county's ranking in size. He was informed that this could be due to any number of reasons and that in order to arrive at an answer the supplemental details for each budget would have to be compared. Ed Crocker questioned the allocation for the Lutheran Home. He was informed that this home would be non-denominational in operation. After further discussion it was moved by Radke, seconded by Samelson to approve the 1982-83 county budget as filed. The vote on this motion was: Ayes--all, Nays--none. Carried.

It was then moved by Worthan, seconded by Radke to request an additional poor fund levy over the allowable levy limit for Buena Vista County of \$279,050 as the allowable rate only raises \$4,538 which is insufficient to maintain a Care Facility and a Social Services office. The vote on this resolution was: Ayes--all.

2:00 P.M. -- Mayor Rassler, City Attorney Larry Tuel and 4 council persons from Albert City requested tax abatement on some property which was purchased by the city but for which a deed was never recorded. County Attorney Ritchie said that the taxes may not be able to be abated by the Board of Supervisors without securing agreements from all the taxing bodies involved. Attorney Ritchie will research this further before advising the Board on what course to follow.

Mayor Rassler then brought up the proposed law contract with Buena Vista County which is up for renewal in September. He was informed by Sheriff Galbraith that they had the proposal already and no concessions would be made. The Board did agree to "door checks" and payment of two-thirds of any salary increases which are to be paid by Albert City. Any raises granted prior to the effective date of the contract would not affect the contract. This contract now needs approval by the Albert City Council.

2:30 P.M. -- The time having arrived for the opening of bids on the jail improvements. Two bids were received. After opening the bids and finding them to exceed the estimated cost by more than 28%, it was moved by Harjes, seconded by Radke to reject both bids and return them with their bid bond and certified check to the bidders. Ayes--all. The building committee and the Sheriff then scheduled a meeting for 9:00 A.M. Monday, March 15, 1982 to review the specifications and see if some changes could be made.

Jim Butler and Wm. Muldoon, representing Prudential Insurance Company presented a plan for Individual Retirement Annuities via payroll deductions. They agreed that a minimum of 5 persons must participate before payroll deductions will be made. It was moved by Worthan, seconded by Harjes to permit voluntary participation of Buena Vista County employees in a Prudential IRA program at no cost to the county and to authorize the Chairman to sign the agreement. Ayes: Worthan, Samelson, Harjes; Nays: Radke; Carried.

Claims were audited and allowed as follows:

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Burr presiding, and with the following other members present: Worthan, Samelson, Harjes, Radke.

Minutes of the May 4th meeting were read and approved.

Donna McPherrren, Clerk of Court, asked the Board how they wanted to proceed with the Buckingham Trust fund. She was instructed to reinvest \$35,000.00 in a Money Market certificate for a 6 months period.

It was moved by Worthan, seconded by Samelson to authorize payment of \$128.00 for medical expenses for one child from the Buckingham Trust fund. Ayes—all.

D.D. #19-26

It was moved by Harjes, seconded by Samelson to concur with the action of the Joint Boards on 4-5-82 and to authorize a levy of 35% of the 1972 reclassification schedule for the Main Tile of D.D. #19-26 to be made and to become due and payable without interest with the first one-half taxes of 1982-83 and to bear interest at 10% thereafter. Ayes—all.

D.D. #81

A decision was not reached pending the information requested for the County Attorney.

It was moved by Worthan, seconded by Harjes to approve the April reports of Public Health Nursing, Magistrate Court, County farm and Care Facility, and the Child Support Recovery report. Ayes—all.

Whereupon, it was moved by Worthan, seconded by Radke that \$6,000.00 be allocated to the Buena Vista County Chore Service fund for expenditure within the county during fiscal year 1982-83, with Jan Hartwig to be the Administrator of the funds providing this is agreeable with Iowa Lakes Area Health Care. It was moved by Radke, seconded by Worthan to approve the following reports: Annual ADTU, August Child Recovery and Small Claims, and the reports on: Care Facility residents, Health Screening policies for the jail, and the "well elderly clinic" report. Ayes--all.

It was moved by Radke, seconded by Samelson to authorize the use of Buckingham Trust funds to be used for the treatment of one person. Ayes--all.

It was moved by Samelson, seconded by Harjes to accept the low quote for the furnishing of petroleum fuels to Buena Vista County for the ensuing period to Farm Service Company, Storm Lake, Iowa. Ayes--all.

Loren Frederickson, Don Peterson and two others from Maple Valley Township inquired as to what could be done in the way of safety devices to warn people of the dangerous intersection at the Junction of C-63 and M-27. The Board agreed to install "rumble strips".

SUPERVISOR'S RECORD, No. 17

MATT PARROTT & SONS CO., WATERLOO, IOWA 78-0180

It was moved by Radke, seconded by Samelson to approve the October Public Health Department reports, the October Magistrate and Sanitarian reports. Ayes--all.

Donna McPherrren, Clerk of Court inquired as to what should be done with the Buckingham Trust account. She was instructed to reinvest \$30,000.00 and to put \$5,000.00 plus the interest in the Passport account for use.

It was moved by Harjes, seconded by Samelson that the Jury Commissioners and their assistants each be paid \$10.00 per day plus mileage and necessary expenses. Ayes--all.

The Clerk of Court inquired about purchasing a used Pitney-Bowes Postage machine for use in her office. This matter was tabled for the time being.

James Tausz and George Stevenson, representing Employers Services Company of Clarion, presented the advantages of a self-insurance program indicating the county could save as little as \$833 or as much as \$37,000.00 next year on health insurance costs. The coverage would remain the same as present at a cost of \$109,000.00 for next year. The money would be invested and earn interest for the county. There would be a one time conversion fee of \$250.00. No action was taken at this time.

Royce Gramm and Herman Kleen, representing Blue Cross/Blue Shield health insurance program discussed self funding and stated they didn't think it was "right" for the county. They think the county should look into co-pay with a deductible. Self-funding doesn't work well for groups under 200 employees in their estimation, in addition to the fact that self-funding insurance companies are not regulated by state insurance laws. Under co-pay the employees would pay 10% of their hospital costs up to a fixed amount and Blue Cross would pay the remainder. The main benefit would be the way it would affect utilization in future years. The Board took no action on the proposals of either company.

Continued Road Vacation Hearing

The provision for access to the Nyberg property having been signed and recorded, it was moved by Radke, seconded by Samelson to vacate the public highway 66 feet in width lying between Section 36-91-38 and Section 1-90-38 with the effective date to be established after the restoration work is completed. Ayes--all.

The purchase of a copier and a larger computer was discussed. This will be discussed further at a later date.

Claims were audited and allowed as follows:

LEWIS B. JULIUS, AUDITOR

G. RICHARD BURR, CHAIRMAN

BOARD OF SUPERVISORS MEETING
THIRTY-SIXTH MEETING, 1982 SESSION (36)
December 28, 1982

The Board of Supervisors of Buena Vista County was scheduled to meet at 9:00 A.M. but due to a winter blizzard a quorum was unable to be present so the meeting was rescheduled for 9:00 A.M. the next day.

9:00 A.M., Wednesday, December 29, 1982. Chairman Burr called the delayed meeting to order with the following members present: Samelson, Harjes, Radke. Absent: Worthan.

Minutes of the December 13th and 14th meetings were read and approved.

It was moved by Samelson, seconded by Harjes to enter into a maintenance agreement for the 1982-83 snow season with the City of Linn Grove, Iowa. Ayes--all.

It was moved by Radke, seconded by Harjes to purchase the blanket bond for the newly elected officials from the ISAC-Fremont Insurance program at a cost of \$294.38. Ayes--all.

It was moved by Radke, seconded by Samelson authorizing the Auditor to transfer \$1,433.57 from the Mental Health & Institutions fund to the Poor fund as recommended by the State Field Auditors. Ayes--all.

It was moved by Samelson, seconded by Radke authorizing the Auditor to publish the notice of the availability of the Federal Revenue Sharing report on the 1982 Survey of County Government Finances. Ayes--all.

Larry Jensen and Ralph Walter requested that the 1983 weed spraying program be done by Jensen Spraying, Laurens, Iowa. The program will be the same as 1982 in that they do 2 blanket sprayings on $\frac{1}{2}$ the county roads and only spot spraying on the other $\frac{1}{2}$. Whereupon it was moved by Samelson, seconded by Radke to renew the Weed Spray contract with Jensen Spraying for 1983 on the same basis as for 1982. Ayes--all.

It was moved by Harjes seconded by Radke to approve the Care Review Committee report, the November Child Support Recovery report, the December NWIPDC, ADTU, and Board of Health. Ayes--all.

Steve Stille made an excellent presentation on a package insurance program. Most of the policies have already been purchased for 1983 except the auto insurance. Whereupon it was moved by Samelson, seconded by Harjes to purchase the comprehensive automobile liability insurance for 1983 from Stille, Pierce & Pertzborn at a cost of \$8,951.00. Ayes--all.

It was moved by Harjes, seconded by Radke to pass the following resolution: IT IS HEREBY RESOLVED not to grant tax exemptions pursuant to House File 2351 involving Wetlands in Buena Vista County. Ayes--all.

It was moved by Samelson, seconded by Radke to pay Lorie McPherrren \$4.00 per hour on a part-time basis for work done in the Sheriff's department. Ayes--all.

The County Auditor brought to their attention the need to sign a contract for the purchase of a B1900 if they wanted the discount allowed until the end of 1982. They are not ready to purchase at this time.

The recommendations of the County Compensation Board for elected officials salaries was again discussed. Whereupon Harjes moved that the Supervisors remain "status quo" for the 1983-84 fiscal year, and that all other salaries be reduced by the same percentage. The Chairman called for a second to this motion. Hearing none this motion died for lack of a second. Whereupon Samelson moved, and Radke seconded with reservations and under protest a motion to accept the Compensation Board's recommendations as presented for salaries for fiscal year 1983-84 for elected Buena Vista County Officials. The vote on this motion was Ayes--Samselson, Radke. Nays--Harjes. Motion carried.

BUENA VISTA COUNTY, IOWA

The Board agreed that the minimum charge for election registers for candidates should be \$25.00 and the state voter registration commission is to be notified before issuing to the candidates and the state's approval obtained. A 10 day "lag time" is to be allowed for scheduling of computer time.

The County Landfill Commission notified the Board that the member's assessment for fiscal 1983-84 will be on the basis of 7¢ per capita for the rural population.

A stop order on D.D. #274 has been issued with a "start" order to be issued in the spring when weather permits.

Claims were audited and allowed as follows:
