BOARD OF SUPERVISORS MEETING THIRD MEETING, 1983 SESSION (3) January 25, 1983

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the January 11, 1983 meeting were read and approved.

Tom Frederiksen and Lloyd Galbraith approached the Board in regards to the county funding of a service officer to handle the needs of veterans in the county, possibly using revenue sharing funds to do this. The request was submitted in writing and will be considered when establishing the budget.

It was moved by Samelson, seconded by Radke to reappoint Ralph Walter as Buena Vista County Weed Commissioner for 1983. Ayes--all.

It was moved by Baker, seconded by Gustafson authorizing the use of Buckingham Trust funds for one person (MT-1-25-83) to obtain eyeglasses. Ayes--all.

Ed Crocker, on behalf of the Izaak Walton League, requested the Board to reconsider the "slough" bill because he felt that exemptions are needed to preserve the remaining wetlands and native prairie. Kim Carnine, Deputy County Assessor said the county is already granting exemptions on land designated by this bill as qualifying for exemption and the resolution was unnecessary. It was stated that the Board's action saves a lot of unnecessary paperwork. No further action was taken.

1:30 P.M. -- The time having arrived for the Public hearing on the proposed use of federal revenue sharing funds. Four persons were present for the hearing. Three requests were received, one being for \$25,000.00 to fund a full time veterans affairs office. Carl Bjork, Albert City, requested funding for the "Young at Heart" club in Albert City. They were granted \$500.00 in this current budget which was used in constructing a new front on their building in Albert City. This is separate from the Albert City Historical Society, and will be given consideration at budget time. John B. Anderson, Chairman of the County Board of Social Welfare requested funds to be used for general relief. More money than last year will probably be needed as more requests are being received. The Albert City Historical Society submitted a written request asking for consideration in the amount of \$1,000.00. The Buena Vista Historical Society submitted their budget but did not ask for a specific amount to be granted to them for the next fiscal year. Chairman Harjes thanked the people for attending the hearing and stated the requests would be considered along with others at budget time.

Betty Ohlund, Director of Gingerbread House, requested the Board to consider budgeting funds to help subsidize tuition for low-income children where the parents' income does not meet guidelines set by the Department of Social Services. This year the county budgeted \$10,000.00 and Mrs. Ohlund requests the same amount for 1983-84. This will be given consideration.

County Engineer Don Linnan reported that there were 4 minor personal injury accidents to Secondary Road personnel reported in 1982 but that none were "losttime" accidents under the Workers compensation program.

It was moved by Baker, seconded by Gustafson to approve and adopt the "Proposed Rules for The Board of Supervisors of Buena Vista County" dated January 24, 1983 as presented and on file in the Auditor's office. After discussion a roll call vote was taken with the results being as follows: Ayes--Baker, Gustafson. Nays--Radke, Samelson. This being a tie vote, Chairman Harjes voted Aye to break the tie. Motion carried.

It was moved by Baker, seconded by Gustafson to approve the Treasurer's Semi-annual report, the first and second quarter County Auditor's report, the December 1982 Child Support Recovery, and the 2nd quarter Treasurer's, Veteran's Affairs, and Recorder's reports. Ayes--all.

BOARD OF SUPERVISORS MEETING
SIXTH MEETING, 1983 SESSION (6)
March 8, 1983

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the February 22, 1983 meeting were read and approved.

9:00 A.M. -- The time having arrived for the canvass of the special franchise election for the City of Newell, Iowa to determine if a Cable TV franchise should be granted to Midlands Cable Systems of Papillion, Nebraska. The canvass being completed, it was moved by Baker, seconded by Samelson that the results be declared as follows: Total votes cast--200. Yes--195 No--5. Therefore the election carried.

1:30 P.M. -- The time having arrived for the Public Hearing on the proposed 1983-84 budget for Buena Vista County. There was present a quorum as required by law. The Board found that the notice of the time and place of hearing had been published as directed in the official newspapers of the county during the week of February 20-26, 1983. There were twenty-two persons present for the hearing. After hearing all taxpayers desiring to be heard, it was moved by Samelson, seconded by Gustafson that the 1983-84 budget be adopted as proposed and on file in the Auditor's office. This motion carried unanimously.

It was then moved by Baker, seconded by Radke that the State Appeal Board be asked to approve an additional poor fund tax of \$267,417.00 over the allowable levy limit of \$4,743.00 as this is what is deemed necessary to operate the Care Facility, Social Services office and general relief programs. The vote on this resolution was: Ayes--all. Nays--None. Carried.

It was moved by Samelson, seconded by Baker to approve the February reports of ADTU and Magistrate Court. Ayes--All.

3:00 P.M.--The time having arrived for the Public hearing concerning the filing of a Community Development Block Grant Application for the purpose of assisting the Buena Vista Work Activities Center in providing a new facility. 5 persons were present for the hearing. Roger Sarchet made a comparison between this application and the one for last year. There being no further comments it was moved by Baker, seconded by Gustafson to grant the approval for the application for the block grant, to be filed with the Iowa Office for Planning and Programming. Ayes--all.

Ken Mauer of Mauer Construction requested permission to bid on gravel stockpiling. The board will take his request under advisement.

Kim Burhop, General Relief Director, asked what the appeal procedure is for a client to appeal the denial for a request for assistance. This may be done by having the client make an appointment to see the Board of Supervisors.

Baker moved to pay $\frac{1}{2}$ the hospital, doctor & ambulance bills for one person. Motion died for lack of a second. The action was tabled until the financial status of the applicant can be determined.

Anita Hallquist, Acting County Social Services Director, requested the approval, which was granted, for the placement of one person (SC3-8-83) at the Iowa Central Workshop in Fort Dodge. She informed the Board that 12 persons are to begin working under the Work-fare program. The Board also gave approval to County Engineer Don Linnan to use workfare clients as signal persons, painters or maintenance crew on secondary road projects.

It was moved by Gustafson, seconded by Radke to approve an application for underground construction by Northwestern Bell of a line crossing the road and in the road ditch to the east of the right-of-way line 570' north of Highway #71 on the Truesdale stub road. Ayes--all

Jim Hultgren and the Buena Vista Soil Conservation Commissioners, accompanied by Commissioners from Clay and Pocahontas Counties, requested the Board to reconsider their decision on the "slough bill". The Clay and Pocahontas county commissioners related how their counties are doing it, feeling that conservation is critical. The Board will take this information for further consideration.

It was moved by Samelson, seconded by Radke to approve the Class "C" liquor license application for Crossroads Motel & Lounge. Ayes--all.

County Engineer Linnan informed the board that Lloyd Wise plans to retire April 1, 1983. It was agreed on how his termination pay is to be figured. Linnan also stated that a taxpayer had requested a stop sign be placed on the Marina road where it joins the Casino Beach road. This is a private road and not a publicly owned road. Linnan will check with the State as to who can legally post a sign in that location.

It was moved by Radke, seconded by Samelson to put rumble strips on the N-S directions of the inter-sections of C-65 & M-27 (Hanover). Ayes--all.

BUENA VISTA COUNTY, IOWA

It was moved by Gustafson, seconded by Baker to adjourn to Tuesday, March 22, 1983 at 9:00 A.M.

LEWIS B. JULIUS, AUDITOR

DONALD P. HARJES, CHAIRMAN

BOARD OF SUPERVISORS MEETING SEVENTH MEETING, 1983 SESSION (7) March 22, 1983

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the March 8, 1983 meeting were read and approved.

Darlene Wise, representing UDMO, discussed the Workfare program. Liability insurance coverage delayed the implementation of the program, however the program is now in operation with 14 persons presently employed, at a cost to the county of \$11.50 per week per participant. Whereupon it was moved by Samelson, seconded by Baker to continue with the program until June 30th, and to authorize the Chairman to sign for all programs. Ayes--all.

Veterans Affairs Commissioner Tom Frederiksen, Ken Oleson and 4 other persons presented a letter requesting a Service Officer and office space for Veterans Affairs. Jim Browser is a service officer volunteer from Cherokee County and services about 7 counties from his home. Clay, Woodbury and Webster counties have a full time service officer. The Board decided to talk with other counties before reaching a decision.

Robert Potter requested reconsideration for General Relief. The General Relief Director did not grant his request for help in payment of a hospital bill in the amount of \$1,619.25. A Storm Lake Doctor referred him to a specialist who entered him in a hospital for examination where he did not receive relief. Mr. Potter is presently going to a Chiropractor and is obtaining some relief. After hearing the case as presented, the Board denied the appeal on the grounds that there is no proof of disability.

Eldon Rossow, MER Engineering, and four Lakeside City Council members approached the Board in regards to drainage problems concerning the city of Lakeside. They are thinking of using G. O. Bonds to finance a project to eliminate the flooding. They would like to use the county road ditch to divert some of the water. The Board wants further study before making a decision.

A letter from Dennis Anderson requesting use of county grounds at Marathon as a staging area for the Centennial was received. Permission was granted provided that it was not too wet and that any damage was repaired by them.

The Board rejected the fact-finder's report on the Care Facility negotiations. They informed the county representative to start negotiations for binding arbitration as soon as possible.

It was moved by Radke, seconded by Gustafson to approve the February reports of Public Health Nursing, Board of Health, NWIPDC, Child Support Recovery, County Farm and Care Facility. Ayes--all.

It was moved by Gustafson, seconded by Radke to approve the Contractors bonds for Maudlin Construction Co., Webster City, Iowa in the amount of \$20,160 and \$158,400. Ayes--all.

It was moved by Baker, seconded by Gustafson to approve the application of Little Sioux Golf & Country Club for a Class "A" liquor license and Sunday Sales permit. Ayes--all.

It was moved by Samelson, seconded by Radke to approve the Cigarette permit for Crossroads Motel & Lounge. Ayes--all.

It was moved by Gustafson, seconded by Radke to approve the application of Storm Lake Municipal Golf Course for a Class "C" liquor license and Sunday sales permit. Ayes--all.

It was moved by Baker, seconded by Gustafson authorizing the Chairman to sign the 1983 contract with the Northwest Iowa Mental Health Center. Ayes--all.

It was moved by Samelson, seconded by Baker to appoint Vivian Keister, Storm Lake, to the Northwest Iowa Mental Health Advisory Board. Ayes--all.

It was moved by Baker, seconded by Radke to amend the Supervisors Rules adopted 1-25-83 by inserting the word "special" between "of" and "agenda" in paragraph 4 of rule 5 so it would read thusly: "establishment of special agenda items for the, etc." Motion carried.

It was moved by Radke, seconded by Baker to approve the application of Buena Vista R.E.C. for underground construction on the north side of sections of 27 and 28 Brooke twp. and on the west side of sections 28 and 33 Brooke twp. Ayes--all.

It was moved by Samelson, seconded by Baker to approve the application of Northwestern Bell Telephone Co. for underground construction in the ditch on the north side of Section 22-91-37. Ayes--all.

Chairman Harjes recessed the meeting at 5:00 P.M. until 9:00 A.M. Thursday, March 24.

BUENA VISTA COUNTY ORDINANCE #2

It was moved by Gustafson, seconded by Radke to approve the third and final reading of Buena Vista Ordinance #2 to become effective upon the publication of the ordinance in this set of Board Minutes, as follows:

Ordinance Repealing Ordinance 1A

Section 1 - Purpose. This Ordinance repeals Ordinance #1A adopted April 24, 1979. Code of Iowa, Chapter 331.302(5) will then be the procedure followed in adopting Buena Vista County Ordinances.

Section 2 - Effective Date. This ordinance shall be in effect after its final passage, approval, and publication as provided by law. This meeting constitutes the first hearing, and the publication requirements are met by publishing the Board of Supervisors' minutes containing this ordinance in all official papers.

Approved 6-14-83, 6-28-83, 7-12-83. Effective upon publication of these board minutes.

RESOLUTION

It was moved by Radke, seconded by Samelson that WHEREAS House File 201 passed by the State Legislature in the session just completed states that signatures are no longer required on claims submitted for payment to the county, THEREFORE BE IT RESOLVED that signatures are no longer required on Buena Vista County Claims when submitted upon a clearly designated form or letterhead identifying the claimant, and approved by the Department Head involved. The vote on this resolution being Ayes--all, Resolution carried.

Two Burroughs representatives and 7 other persons from the various offices in the courthouse who are interested in using the courthouse computer related the need for a larger computer in the courthouse, this being a Burroughs B1900 at a cost of \$85,083.40. New offices want to be connected, and new programs installed for use. The present B800 is not large enough to be available to all who want to use it at the same time, this results in a greater response time being used in order to obtain information from the computer. After discussion, it was moved by Samelson to purchase a Burroughs B1900 computer at a cost of \$85,083.40. Chairman Harjes asked for a second to the motion. Hearing none he again asked for a second. There being none the motion died for lack of a second. This resulted in the request being denied.

It was moved by Radke, seconded by Gustafson that in order to correct an error made in setting the salary of the Deputy Weed Commissioner, that Marlin Erickson be paid \$4.00 per hour effective as of date of employment. Ayes--all.

Byron Yaffee, an Arbitrator from Madison, Wisconsin will meet with the representatives from the Union and from the Care Facility to settle a grievance concerning holiday pay for part-time Care Facility employees. This meeting is to be at 10:30 A.M., Thursday, July 14, 1983 in the courthouse Public Meeting Room.

A discussion concerning the need for a county public road right-of-way ordinance based on the sample submitted by Sioux County followed. Terry Larson, ISAC staff person, recommended some changes be made, WHEREUPON it was moved by Baker, seconded by Radke that the following Buena Vista County Ordinance #3 be adopted, this being the first reading:

BOARD OF SUPERVISORS MEETING TWENTY-FIRST MEETING, 1983 SESSION (21) August 1, 1983

The Board of Supervisors of Buena Vista County met in special session at 9:30 A.M. with the Board of Supervisors of Cherokee County in the Board Room of the Cherokee County Courthouse to discuss the replacement of a bridge on the southwest corner of Section 19, Maple Valley Township and the east county line of Diamond Township, Cherokee County. This bridge is owned jointly by Cherokee and Buena Vista Counties. Present for this meeting were:

Buena Vista County: Supervisors: Harjes, Baker, Gustafson, Samelson, Radke;
Assistant County Engineer: Burns;
County Auditor: Julius;

Cherokee County: Supervisors: Tietgen, Ohlson, Nelson, Phipps, Foresman;
County Engineer: Bennett;
County Auditor: Anderson.

Tietgen was appointed Chairman and Anderson, Secretary, for this meeting.

Chairman Tietgen stated that basically the group wanted to know if the bridge in question should be replaced, what the options were and what the approximate cost might be. Harjes stated that he wanted to know the prices on the various options. Engineer Bennett advised the boards that it would be difficult if not impossible to replace the bridge this year as it would take at least 3 months before the design study and approval from I.D.O.T. could be received and a letting held, and winter is not the right time to build bridges. Radke stated he felt they should work toward building a crossing, depending on cost, and that both boards should be polled to indicate their feeling. Whereupon it was

SUPERVISOR'S RECORD, No. 17

MATT PARROTT & SONS CO., WATERLOO, IOWA 78-0180

moved by Radke, seconded by Gustafson (for Buena Vista County) to proceed with Bridge replacement as soon as possible. Auditor Julius then polled the Buena Vista County Board with the results being:

Ayes: Radke, Samelson, Gustafson;
Nays: Baker;
Abstain: Harjes.

Motion carried to proceed as discussed. Thereupon a similar motion was made for Cherokee County by Nelson, seconded by Ohlson, to proceed with Bridge replacement as soon as possible. Auditor Anderson then polled the Cherokee Board with the results being:

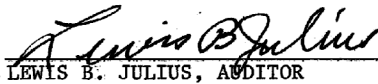

Ayes: Foresman, Nelson, Ohlson, Tietgen;
Abstained: Phipps.

Motion carried to proceed with said bridge replacement.

Both Boards instructed their Engineers to proceed with the plans and hydraulics and when completed both Boards would then meet jointly to finalize the options available. The engineers are to keep the boards informed of their progress, with the bridge to be included in the fiscal year 1984-85 budget with construction to possibly start in the spring of 1984.

The price to pay for Right-of-way is to be determined when the number of acres needed is known, presently Cherokee County pays 2 3/4 times the assessed valuation whereas Buena Vista County pays 2 1/2 times.

The joint board meeting dismissed informally at 10:05 A.M. with the Cherokee Board resuming their meeting.

BOARD OF SUPERVISORS MEETING
TWENTY-SEVENTH MEETING, 1983 SESSION (27)
September 20, 1983

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the September 6th and 16th meetings were read and approved.

County Sheriff Galbraith inquired about whether a new deputy or an additional jailer should be hired to replace the deputy who resigned September 1, 1983. It would take more than a month to go through channels to obtain a qualified deputy. This will be considered by the Board and discussed again at the next board meeting.

Dave Murphy, Risk Manager for ISAC, reviewed the insurance coverage presently in force for Buena Vista County. He commended the county for the present philosophy of self-insurance whenever feasible. He is formulating specifications to be used in obtaining bids from various companies for coverage which should be ready by or before November 1st. This will be ample time for the local agencies to obtain bids to submit by November 29th.

It was moved by Baker, seconded by Radke to approve the FY1985 MH/MR General Allocation Application, the August reports on Clerk's fees, Magistrate Count, Small Claims, and Child Support Recovery. Ayes--all.

BOARD OF SUPERVISORS MEETING TWENTY-EIGHTH MEETING, 1983 SESSION (28) October 4, 1983

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the September 20th meeting were read and approved.

Ted VanGrootheest, County Assessor, requested the Board to support legislation eliminating the mandatory sale of dog licenses by the county. This will be given consideration. He also submitted a form to be mailed to all taxpayers explaining how dogs, farm machinery, structural changes, and homestead and military tax credit applications will be handled henceforth since there will no longer be field assessors doing this job. The form informs the taxpayer of what his responsibilities are. The board approved the mailing of the form.

Resolution D.D.#14/14 Ext.

It was moved by Samelson, seconded by Gustafson that the following resolution be adopted:

The Board having before it the petition of Willis Wells, et al., filed September 23, 1983 requesting certain improvements to D.D.14, finds that said petition is substituted for a similar petition dated July 29, 1983, the later petition seeks the same relief and is somewhat more inclusive. The Board therefore dismisses the petition of July 29th, and finds that the sole pending petition is the petition dated September 23, 1983. Ayes--all.

It was moved by Samelson, seconded by Baker to approve the proposed repairs on D.D.#181 at sites 83-8, 83-9, 83-10 and authorize Chairman to sign same. Ayes--all.

A joint meeting on D.D.14-42 will be held with Clay County at Spencer at 10:00 A.M. on October 25th and a joint meeting with Sac County on D.D. #274 will be held at 1:30 P.M. November 21, 1983 at Storm Lake, with the annual meeting of D.D. #181 to be held that morning.

County Sheriff John Galbraith informed the Board that he had submitted a request to the County Civil Service Commission for a list of the eligible applicants for Deputy Sheriff. Baker stated that he felt another deputy was needed. Galbraith stated that he would rather have a Deputy who could serve in both capacities when needed. Whereupon it was moved by Gustafson, seconded by Baker authorizing the Sheriff to employ another Deputy. Ayes--all.

It was moved by Radke, seconded by Samelson authorizing the admittance of two persons as residents at the Care Facility as of this date. Ayes--all.

Notice to enter into renegotiations with Local 179 UFCW for a new contract with the Care Facility for fiscal year 1984-85 was received by the Care Facility Administrators.

SUPERVISOR'S RECORD, No. 17

MATT PARROTT & SONS CO., WATERLOO, IOWA 78-0100

It was moved by Radke, seconded by Gustafson to concur with the Iowa Department of Water, Air, and Waste Management and approve the application for reissuance of a NPDES permit for the discharges of the City of Albert City into the county drainage tile to North Raccoon River. Class "B" waters are to be protected for wildlife, aquatic and secondary contact water uses. Ayes--all.

It was moved by Baker, seconded by Samelson to concur with the report of the local Board of Health authorizing Shirley Currie to work at least once each month at the Child Health-Maternal Health Clinic, and to change the office hours to 8:00 A.M. - 4:30 P.M. with ½ hour for lunch to coincide with the Homemaker Home Health Aide hours, and to authorize hiring of a 2/5 Nurse at no additional cost to the county. Ayes--all.

Pete Zevenbergen, Director of the Northwest Iowa Mental Health Center, presented their 1983-84 program plan and stated that they now hold office hours three days each week in Storm Lake.

Jon Beuter and Roger McCullough, representatives of Equitable of U.S. informed the board that they were unable to obtain quotes for group health insurance but did have a quote on a partial self-funding plan, however they would not recommend changing at this time.

Tom Shrader, Independent Business Systems, stated that he had surveyed the courthouse offices and felt that a centrally located postage meter would be an advantage to the courthouse. This will be discussed at the next "Department Head" meeting.

Ken Rassler, President of Buena Vista Fireman's Association, presented a request for what he felt was needed to properly equip the county fire departments with portable air equipment. The cost would be approximately \$7,500.00. The Board had budgeted \$6,000 if needed. The board delayed the decision until the next meeting so they could talk with the local fire departments and see if there might be an alternative method of financing.

It was moved by Baker, seconded by Samelson to approve the application of the Crossroads Motel and Lounge for a class "C" liquor license, Sunday sales permit, restaurant license, and cigarette permit. Ayes--all.

It was moved by Samelson, seconded by Gustafson to approve the September reports of: Board of Health, Sanitarian, Public Health Nursing, ADTU; the 1st quarter reports of: Sheriff, Veteran's Affairs, County funds; report on Care Facility Residents, annual ADTU and Institute of Public Affairs reports. Ayes--all.

Building Energy Management Grant applications must be filed with the Energy Policy Council by 4:30 P.M. November 7, 1983.

The payment of Petit Jurors is now the responsibility of the state effective October 1, 1983. The Clerk of Court is authorized to maintain a separate checking account for this purpose.

Buena Vista County is participating in Local Government Week (October 3-8) and will have tours conducted between 1:00 P.M. - 5:00 P.M. by Buena Vista College Political Science students. The elementary and secondary educators and students have been invited to attend as well as all other interested persons.

The Communications Center would have about \$20,000.00 in their budget which could be used, which would leave about \$30,000.00 to be considered in the new budget. After further discussion the following resolution was adopted: It was moved by Baker, seconded by Gustafson that Buena Vista County hereby terminates its membership in the Buena Vista County Communications Commission effective this date with funding to be terminated upon the completion of this fiscal year which ends June 30, 1984.
