## SUPERVISOR'S RECORD, No. 17

MATT PARROTT &amp; SONS CO., WATERLOO, IOWA 78-0190

Larry Jensen inquired about the chemicals to be used for spraying. Telar is 65% higher priced than the present chemical but it requires only one application per season and is effective on trees and brush. It has a complete grazing restriction for the full year, which means that the ditches cannot be moved for feed. Quotes will be taken for a letting on February 7th at 1:30 P.M. for chemicals needed.

It was moved by Samelson, seconded by Radke authorizing the Chairman to sign a private contract with Jensen spraying in the amount of \$17,563.00 for the 1984 mixing and applying of Weed Chemicals for roadside spraying. Ayes--all.

11:00 A.M. -- The time having arrived for the meeting with the Communications Center Board. 10 persons were present for the meeting. Chairman Harjes informed the board that the Supervisors withdrew from the Communications Board because the 28E Agreement was not being abided by. The county intends to continue to keep a good system and to improve upon it. The county has funded in the past and will continue to do so in its entirety. The Comm Center employees will be governed by the county personnel policy. Whereupon it was moved by Baker, seconded by Radke that the county continue to assume full financial responsibility for the operation of the Comm Center with no further financial obligations from the cities. Loren Sherman related that they need to dissolve the Communications Center and transfer all assets to the county with the county accepting the assets. A letter of intent will go forth to all cities involved.

1:00 P.M. -- The time having arrived for the proposed Use Hearing for Federal Revenue Sharing for fiscal year 1984-85. Six persons were present for the hearing. This is a one time request asked for because the Fair Board is in debt. The last two years the stock car races have not been well supported. This year there will be no races at all. This is the 98th year for the fair. Their asking will be taken under advisement and discussed at budget time.

Ken Greenfield, Caterpillar representative, and Brad Raveling, County shop foreman, presented a proposal for a new motor grader. After discussion, it was moved by Samelson, seconded by Gustafson to purchase a new Caterpillar Motor Grader with plow and wing at a net delivered price of \$84,000.00. Ayes--all.

BOARD OF SUPERVISORS MEETING  
TENTH MEETING, 1984 SESSION (10)  
March 20, 1984

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Samelson, Gustafson.

Minutes of the March 6th meeting were read and approved.

Dan Williams, Regional Collections Administrator for the Child Support Recovery Program, explained the program to the Board and informed them that it was time to sign a new contract for the 1984-85 year. Whereupon it was moved by Radke, seconded by Samelson to continue with the Child Support Recovery program and to authorize the Chairman to sign the contract for the 1984-85 fiscal year. Ayes--all.

The 1984-85 county budget was discussed at length in preparation for the budget hearing.

Neal Kuehl explained the need and the reason for drilling a test well at the Care Facility. Whereupon it was moved by Radke, seconded by Samelson authorizing a complete test well to be drilled at the Care Facility. Ayes--all.

It was moved by Radke, seconded by Gustafson that the following resolution be adopted:

R E S O L U T I O N

WHEREAS the Court Reorganization Act of 1983 (Chapter 186, 1983 Iowa Acts) became effective July 1, 1983, with the intent of achieving a more equitable distribution of the costs related to the operation of the Courts by shifting most Court-related expenses from funding by local property taxes to funding by State General Fund revenues; and

WHEREAS that Act now provides for an orderly transition to State funding by Court component over a five-year period on a fixed timetable, while simultaneously providing for a shift of Court system revenues from the counties to the State; and

WHEREAS pursuant to that Act, 20% of the revenues formerly received by the counties have already been diverted to the State since July 1, 1983, and another 20% of the remaining Court system revenues now received by the counties are scheduled to be diverted to the State beginning July 1, 1984 and

WHEREAS the costs of Court Reporters are scheduled to be assumed by the State on July 1, 1984, and the costs of Court Attendants (Bailliffs) are scheduled to be assumed by the State on January 1, 1985 -- both during this coming fiscal year; and

WHEREAS it appears possible some effort may be made by the General Assembly to postpone State assumption of all or part of those costs, with no remittance to the counties of revenues already collected by the State to fund assumption of such costs, and/or no delay in State diversion of additional Court system revenues from the counties to the State on July 1, 1984; and

WHEREAS county budget processes for the next fiscal year are nearly finalized and the counties no longer possess any statutory authority to budget or levy property taxes to pay for the costs of Court Reporters or Court Attendants (the latter for six months); and

WHEREAS any delay in State assumption of such costs would likely require the counties to borrow the necessary funds, at interest, to pay such costs, which action would force a higher levy on property taxes the following fiscal year in order to repay such borrowed funds; and

# BUENA VISTA COUNTY, IOWA

WHEREAS it would be contrary to the policy of "fair play" between the State and the counties to delay State assumption of such costs on the timetable now established by law while continuing to divert Court system revenues from the counties to the State Treasury to be used for purposes other than those for which those revenues were originally intended:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF BUENA VISTA COUNTY, IOWA:

1. That the General Assembly be advised of our determination to support State assumption of the costs related to the operation of the Courts on the timetable now established by law, e.g.:
  - a. July 1, 1984: Court Reporters;
  - b. January 1, 1985: Court Attendants;
  - c. July 1, 1985: Juvenile Court personnel;
  - d. July 1, 1986: Clerks of Court; and
  - e. July 1, 1987: Indigent Defense (including Public Defender expense).
2. That the Iowa State Association of Counties be similarly advised and urged to establish such a policy as its first legislative priority.
3. That this Board of Supervisors hereby establishes, of record, that the State assumption of the costs related to the operation of the Courts on the timetable now established by law is its first legislative priority.

The County Auditor is directed to transmit a copy of this Resolution to each legislator resident within Buena Vista County, to the Iowa State Association of Counties, to the Speaker of the House, to the President of the Senate, and to the Governor, and to the State Court Administrator. Dated this 20th day of March, 1984. This resolution carried unanimously.

It was moved by Baker, seconded by Gustafson to approve the February reports of: Court revenue distribution account, Clerk's report of Fees, Clerk's filing fees & postage, Child Support Recovery, Northwest Iowa Core Planning Group, Care Facility and county farm, and the 2nd quarter FY 1983-84 Iowa Homemaker Home Health Aide Services. Ayes--all.

1:30 P.M. -- The time having arrived for the Public Hearing on the proposed 1984-85 budget for Buena Vista County. There was a quorum present as required by law. The Board found that the notice of the time and place of hearing had been published as directed in the official county newspapers during the week of March 3-10, 1984. There were 20 persons present for the hearing. After hearing all taxpayers desiring to be heard and reading the letter received from the Chairman of the Buena Vista County Taxpayers Association, it was moved by Radke, seconded by Baker that the 1984-85 budget be adopted as proposed and as is on file in the County Auditor's office. This motion carried unanimously.

The notice of the availability of the budget summary is to be published in the March 29th Storm Lake Pilot-Tribune.

It was moved by Samelson, seconded by Gustafson to approve the application of the Storm Lake Municipal Golf Course for a class "C" liquor license and Sunday Sales permit. Ayes--all.

BOARD OF SUPERVISORS MEETING  
FIFTEENTH MEETING, 1984 SESSION (15)  
April 24, 1984

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Corwin Ritchie, County Attorney, met with the Board to discuss institutional accounts and how they should be handled. After a lengthy discussion it was moved by Samelson, seconded by Baker that, in reference to Chapter 230 of the Iowa Code, which deals with Mental Health, that all accounts prior to January 1, 1984 be forgiven as of this date and, that all the billings received since that date be reviewed, and henceforth all accounts listed on abstracts dealing with mental health be indexed and statements sent as soon as possible to the persons receiving treatment, after being approved by the Board of Supervisors. The vote on this motion was: Ayes--Baker, Gustafson, Samelson. Nays--Radke. Carried. It was then moved by Baker, seconded by Gustafson that all accounts be reviewed annually and judgments filed accordingly. The vote on this motion was Ayes--all.

Further discussion followed in which Radke stated that he thought all accounts prior to January 1, 1984 should be reviewed before forgiving. Baker said the decision would not be an easy one but that they must have a viable bill with which to work. Harjes stated he felt that the date should have been July 1, 1984. Gustafson stated that substance abuse accounts should be billed for everything. Samelson stated that this date should be January 1, 1984 also. Whereupon it was moved by Radke, seconded by Gustafson that the above mental health resolution be rescinded. This motion was defeated with the vote being: Ayes--Radke, Gustafson. Nays--Baker, Samelson, Harjes. The question of Substance Abuse was tabled for this meeting.

Darlene Peterson, Buena Vista County Nurse, discussed the newly revised county personnel policy and the fact that the Board of Health did not agree with the portion concerning health screening and physicals. They feel that the pre-employment physical should be done by a licensed physician of the person's own choice and paid for by the county. Whereupon it was moved by Baker seconded by Gustafson to amend page 8, section 3.9 of the Personnel Policy by deleting the present section and inserting in lieu thereof the following: "an applicant who has been interviewed and chosen for a full time position shall be required to pass a physical examination which will be provided free of charge by the county. Successful completion of the physical examination is a condition of employment". This resolution passed unanimously.

It was moved by Samelson, seconded by Radke to approve the IDOT agreement #CA-283 for reconstruction of county road C-65 in conjunction with Project #FN71-7(35)--21-11. Ayes--all.

It was moved by Samelson to adjourn to Tuesday, May 1, 1984 at 9:00 A.M.

BOARD OF SUPERVISORS MEETING  
TWENTY-FOURTH MEETING, 1984 SESSION (24)  
June 26, 1984

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Baker, Gustafson, Samelson.

Minutes of the June 5th, 11th, 12th, and 19th meetings were read, corrected, and approved.

The County Treasurer explained that new legislation going into effect July 1, 1984 changed the method of providing security for public funds. Currently it is protected by a state "sinking fund", henceforth the financial institutions used as depositories will have to pledge assets, or use a surety bond. It is also necessary for the Board to sign a resolution of approval for each depository. Mrs. Roberts also requested reconsideration for the salaries of the three clerks in her office. No action was taken on the request.

Ron Wilson, County Disaster Services Director, inquired as to how the \$20,000.00 allocated in the current Communications Center budget will be transferred to the 1984-85 budget so that it can be used for the planned new construction. This has to be done by action of the County Communications Board as the Board is being phased out July 1, 1984.

Corwin Ritchie, County Attorney, requested reconsideration of the salary for his secretary which was "frozen" last week. He related that the workload has increased 310% for OWI and 290% for indictable cases. He is asking for a 4% increase for his part-time secretary. Next year he will probably be asking for a full-time secretary. After due consideration it was moved by Baker, seconded by Samelson to grant a 4% increase for Linda McShane for Fiscal year 1984-85. Ayes--all.

Darlene Wise, UDMO Director, stated that currently there are 7 persons on the ADC-UP program (aid to dependent children-unemployed parents). She requested renewal of the "work-fare" contract. Whereupon it was moved by Baker, seconded by Gustafson to renew the contract for fiscal year 1984-85 with UDMO and authorized the Chairman to sign same. Ayes--all.

## Public Depository Resolution

It was moved by Baker, seconded by Gustafson that the following resolution be adopted: RESOLVED that Buena Vista County utilize the services of \_\_\_\_\_ ("Depository") for the deposit of public funds belonging to Buena Vista County, or coming into its possession, pursuant to a duly executed Agreement to Receive and Repay Deposits of Public Funds. The maximum amount which may be thus deposited without further approval of this Board and the Treasurer of State is \$\_\_\_\_\_.

RESOLVED, that the following officers are hereby authorized and directed to execute said Agreement, to execute and deliver signature authorization cards to Depository concurrently therewith, and to execute all drafts, checks and other documents and correspondence regarding any accounts of Buena Vista County at Depository:

Donald P. Harjes	Chairman, Board of Supervisors	term expires	12-31-84
Orville Radke	Supervisor	" "	12-31-86
Keith Baker	"	" "	12-31-86
Jim Gustafson	"	" "	12-31-86
Stuart Samelson	"	" "	12-31-84

RESOLVED, that the officers described above are hereby authorized and directed to take such action, and execute such documents and agreements as may be necessary to secure the repayment of the deposits of public funds authorized hereunder, including, but not limited to: Security Agreements, Bailment Agreements, Notices, and any documents or instruments supplemental or incidental thereto.

RESOLVED that the Treasurer forward a certified copy of this resolution to Depository, and any other parties which may request it for purposes of effectuating the deposit of public funds authorized hereunder or any security therefore, together with a certificate attesting to the names and signatures of the present incumbents of the offices described above; and that the Treasurer further certify to Depository or other parties from time to time the signatures of any successors in office or any of the present incumbents.

Certificate

I hereby certify that the foregoing is a true and correct copy of a resolution of the Board of Supervisors adopted at a meeting of the Board of Supervisors duly called and held on the 26th day of June, 1984, a quorum being present, as said resolution remains of record in the minutes of said meeting, and it is now in full force and effect.

The officers named on the foregoing resolutions have been duly elected and presently serve in their stated capacities for the terms indicated. Dated this 26th day of June, 1984.  
/s/ Lewis B. Julius, Auditor.

Janice Stavnes, acting in the absence of Anita Hallquist, presented some general relief matters. Action was delayed until the return of Mrs. Hallquist.

A letter was received from the County Assessor's office stating that the abandoned railroad right-of-way for the Chicago & Northwestern Transportation Co. reverts back to the adjacent property owners in some instances, which increases the taxable acres for 4 parcels belonging to Buena Vista County. These parcels being #12018.75 and 12018.85 in Brooke Township; #9014.85 and 9016.85 in Lee Township. The Auditor was directed to make the necessary changes in the tax records.

The new mower purchased by Secondary Roads came with some wrong parts, therefore \$1,000.00 will be withheld until the correct parts arrive.

A report on the cost of providing suitable water at the Care Facility was submitted. It will be discussed with the City and their engineers as to the possibility of obtaining city water for use at the Care Facility. The inspection report on the boilers at the Care Facility was also read.

John Demers discussed a drainage problem and presented a claim for crop expenses at the Care Facility.

Darold Brown, Marathon, was reported to be in violation of the terms of a special use permit governing the operation of a salvage yard. The Zoning Commission will hold a hearing to consider revoking the permit.

It was moved by Baker, seconded by Gustafson to approve payment for inpatient care of one person (LE7-10-84) at the Northwest Iowa Mental Health Center. Ayes--all.

It was moved by Radke, seconded by Samelson to approve partial payment for 2 persons using General Relief funds (VG7-10-84 and AS7-10-84 in the amounts of \$195 and \$900 respectively). Ayes--all.

11:00 A. M. -- The Board meeting was recessed until 1:00 P. M. in order to hold a joint drainage meeting with Clay County on D.D.#14--42.

1:00 P. M. -- The time having arrived for the Public Hearing on Zoning Regulations. 7 interested persons were present for the hearing. County Zoning Administrator, Don Linnan, presented the changes proposed in the county zoning regulations, of primary interest was a proposal to require developers to pave streets in developments. Potential developers raised concern that requiring roads to be paved would make developments cost prohibitive. The county is at a disadvantage, compared to a city, when a road is paved because the county does not have the ability to assess the individuals benefitted, but rather has to levy against all taxpayers in the county. In certain instances improvement district warrants may be attached as a lien on the property. This gives the developer access to funds for improvements at a lower interest rate for a longer period of time. The County Attorney will be asked to investigate and see if this is legal in Iowa. This hearing was continued until July 24, 1984 at 1:00 P. M.

1:30 P. M. -- The time having arrived for the Public hearing on D.D.14/14 EXT. This Drainage hearing was adjourned at 3:50 P. M. and the Board then reconvened their regular board meeting.

Darlene Peterson, County Health Nurse, requested a \$150.00 per month raise for Jan Hartwig as Administrator of the Homemaker Home Health Aides program as approved by the County Board of Health. This request is in addition to the raise granted Hartwig for duties as fiscal manager of the Public Health Office. After much discussion it was moved by Radke, seconded by Samelson to grant a \$150.00 per month raise to Jan Hartwig as Administrator of state funded HM/HHA program. After further discussion the motion was withdrawn. It was then moved by Baker, seconded by Radke to approve the April 24, 1984 Board of Health report as filed with the following exceptions: Paragraph 3 page 3 and paragraph 1 page 4 (which is in conflict with the Buena Vista County personnel policy). The vote on this motion was: Ayes--all.

It was moved by Gustafson, seconded by Radke to approve the following reports: June ADTU, Tourism, NWIPDC, Board of Health; 4th quarter Board of Health, Sheriff, Recorder, Veterans Affairs; semi-annual Treasurer's report and Bank Cashier's certificate of balance; and 1983-84 annual Veterans Affairs report. Ayes--all.

## SUPERVISOR'S RECORD, No. 17

MATT PARROTT &amp; SONS CO., WATERLOO, IOWA 78-0100

Denise Kleen, Head Radio Operator and Supervisor of the Communications Center, inquired about obtaining quotes for the new Comm Center equipment. She was informed to meet federal regulations since the equipment will be partially paid by federal funds. A new agreement needs to be signed between the county, state of Iowa, and the federal government regarding the use of TRACIS. The dissolution of the 28E agreement necessitated this need. Also, a resolution to pay for the TRACIS service is needed. Whereupon it was moved by Baker, seconded by Gustafson to enter into an agreement with the State of Iowa to pay the monthly service fees for TRACIS as presented. Ayes--all.

There was some question as to the salary of Ron Scott. Whereupon it was moved by Baker, seconded by Gustafson to amend the June 19th motion to read: "increase the pay of Ron Scott 20 cents per hour effective July 1, 1984, and to grant an additional 50 cents per hour effective July 2, 1984, which is a "step" increase agreed upon at the time of his employment. This motion carried with all voting "AYE".

A motion was made by Gustafson, seconded by Radke authorizing the County Treasurer to deposit the federal revenue sharing check in the amount of \$60,575.00 for the 3rd quarter of Entitlement period 15 in the Security Trust & Savings Bank, Storm Lake, at interest. Ayes--all.

A motion was made by Radke, seconded by Samelson to approve the application of S & D Erickson Acres Corp. for underground construction of a drainage tile to connect with the existing county main one mile north of Marathon in the east ditch along the west side of the Northwest quarter of Section 16, Poland Township. Ayes--all.

## BOARD OF SUPERVISORS MEETING TWENTY-EIGHTH MEETING, 1984 SESSION (28) July 24, 1984

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A.M. with Chairman Harjes presiding, and with the following other members present: Radke, Gustafson, Samelson.

Custodian Rollin Sievers informed the Board that he would like to take his vacation starting tomorrow in order to be back in time for the city election. Lloyd Galbraith is back on a limited basis which necessitates keeping Mark Freeman on for a few extra days. The Board granted him permission to make the arrangements.

Ralph Walter, County Weed Commissioner, inquired about using Brush Killer to kill the roadside brush. It is too late for anymore spraying this season. A letter was read from a concerned citizen regarding thistles east of Marathon. Mr. Walter said this was just a bad year for control due to the extremely wet spring.

Dan Goslin, Storm Lake Director of Job Service of Iowa, and Cindy Radke, JTPA representative, introduced themselves to the Board and explained their function and the fact that they are serving the entire county in job placement and job programs. They are trying to reach dislocated farmers through the extension service. The Board wished them well in their endeavors.

County Engineer Don Linnan related that they are using Chloride to try to control the dust and told them that a culvert had been broken under the road by the Midwest Childrens Home and needed to be replaced.

It was moved by Gustafson, seconded by Samelson to discontinue suspension of taxes for Helen M. Kirkwood on the parcel described as the East 50' of Lot 1 (except the N 50') Block 78 and the East 50' of Lot 2 Block 78, Storm Lake Corp. Ayes--all.

It was moved by Samelson, seconded by Gustafson authorizing the signing of the admission forms for 7 persons as residents at the Care Facility. Ayes--all.

It was moved by Radke, seconded by Samelson authorizing Waller Engineering Co., Ida Grove, to provide engineering services for bridge replacement in Grant Township at a cost of \$900.00 and authorize the Chairman to sign the agreement. Ayes--all.

Denise Kleen, Supervisor of the Comm Center, informed the Board that the opening of quotes for the new equipment and remodeling is scheduled for 9:00 A.M. Wednesday, August 1, 1984.

1:00 P.M. -- The time having arrived for the continuance of the zoning hearing. 4 persons were present for the hearing. Chet Brecher felt the ordinance as in effect now is fair, the recommended changes would be unfair to the developer. Bob Bruce and Chuck Wetherell made further comments. After much discussion, it was moved by Radke, seconded by Gustafson to return to the zoning as it was prior to 1979 by deleting the following paragraphs 1 and 2 of Subsection D. Improvements (Section 5 - Subdivision Design Standards):

1. For all streets with fifty foot (50') rights-of-way, the following minimum standards shall apply.
  - a. Portland cement concrete 6" non-reinforced, or
  - b. Asphaltic concrete - seven inch (7") with five inch (5") coarse graded binder course, and two inch (2") fine graded surface course with six inch (6") concrete curb integral with twenty-four inch (24") cement concrete gutter (30") overall); asphaltic concrete must be approved by the County Engineer.
2. For all other streets, the minimum right-of-way shall be sixty-six feet (66'), and the roadway shall be twenty-eight feet (28') in width with a four inch (4") crown. There shall be ditches 3.5' below the top of roadway on both sides, with an eight foot (8') minimum width in the ditch bottom. There shall be 2:1 slopes on the roadway and 4:1 back slopes to property. Class C gravel surfacing in accordance with Iowa Department of Transportation Specifications shall be applied at a minimum rate of 1,000 cubic yards per mile.

The above shall be replaced with the following:

1. and 2. Surfacing. The subdivider shall at his expense surface all streets being dedicated for public use. Surfacing shall consist of not less than six (6) inches of portland cement concrete or eight (8) inches of asphalt concrete over a prepared subgrade and shall be constructed in accordance with designs and specifications and at grades, widths, and thicknesses approved by the Board of Supervisors.

The above resolution passed unanimously.

It was moved by Gustafson, seconded by Samelson to approve the following reports: May and June County farm and Care Facility reports, June Child Support Recovery, Clerks Fees, Small Claims, Court Fees; The Care Review Committee report and the report on the Care Facility residents; the 4th quarter 1983-84 Sanitarian, Clerk's report of Fees, and farm-to-market funds; and the 1983-84 annual report of the Recorder and County Ag. Extension; and the official audit of Buena Vista County for year ending 6-30-83. Ayes--all.

# BUENA VISTA COUNTY, IOWA

A joint meeting with Clay County to discuss D.D.#14-42 was scheduled for 10:30 A.M., October 10, 1984 at the Buena Vista County Board of Supervisors Room.

D.D.#82

A petition signed by 10 landowners in D.D.#82 was presented and discussed. Whereupon it was moved by Radke, seconded by Gustafson to appoint Darel Burns as the Drainage Engineer to investigate the petition for reconstruction and report back to the Board. Ayes--all. The Board also approved the use of Chuck Tapley to assist Darel Burns with the field work for several pending petitions.

Melvin Kischer requested consideration of an area that was flooded this spring when tile lines were running full and backed up forcing him to replant this spring. A committee composed of Don Linnan, Jim Gustafson, Don Harjes, and Stuart Samelson was appointed to make a visual inspection of the area and to report back to the board.

A motion was made by Radke, seconded by Samelson to approve the application for the placement of Terry Minard at the Lutheran Group Home. Ayes--all.

It was moved by Radke, seconded by Gustafson to accept as satisfactorily completed as of this date, the culvert project L-BV-C-2-84 of Graves Construction of Melvin, Iowa. Ayes--all.

A discussion of the signs to be posted during snow season on unplowed roads or roads only partially cleared was held. Two types were approved for posting and are to be printed.

An immunization program will be started in November by the Board of Health. It has the approval of the two Storm Lake clinics.

It was moved by Samelson, seconded by Gustafson to revise the HM/HHA contract with the State for House File funds, from \$15/hr. to \$12/hr. as the cost has been determined at the \$12.00 amount. Ayes--all.

It was moved by Radke, seconded by Gustafson to approve the September ADTU and Board of Health; the first quarter Sheriff, and the annual 3rd Judicial Department of Corrections report. Ayes--all.

Denise Kleen, Communication Center, said that the new equipment has been ordered for the tower site and that Chuck Tapley has been hired to survey the new site. A 20-button phone has been ordered to replace the present phone and a 6-button phone has been ordered for standby. The Board approved the purchase.

A motion was made by Samelson, seconded by Gustafson to abate the taxes on parcel #2255 owned by the City of Linn Grove, Iowa for the current fiscal year. Ayes--all.

A letter was received from Clarence Krepps and from Kuehl & Payer relative to the cost of extending a water line to the County Care Facility. This will be discussed further at a later date.

An addendum to the County personnel policy, approved by OPP, was added as of this date. This deals with sick leave.

1:30 P.M. -- The time having arrived for the public hearing on the sanitary landfill site. Approximately 40 persons were present for the hearing which was held in the public meeting room. Chairman Harjes asked for opening comments. Gary Armstrong, attorney for the landfill commission stated that he was dissatisfied with the Zoning Commission hearing last week as they were very ill-prepared. The landfill commission is a subdivision of government embracing the cities of Albert City, Alta, Lakeside, Marathon, Newell, Sioux Rapids, Truesdale, Storm Lake, Linn Grove, Rembrandt and Buena Vista County rural residents. It was organized in 1971.

Other solutions to the garbage problem other than a landfill are: incineration, which is not economically feasible. The proposed site meets the DEQ criteria and has sufficient capacity.

The purpose of this meeting is to consider a special use zoning permit. There will be a living green fence to screen the site so it should have minimal effect on the character of the neighborhood. Only 4 or 5 acres will be in use at any one time. 75% will be pasture or row crop. I.D.O.T. has given approval of the site as having a minimum effect on traffic. There should be no effect upon D.D.#46. Environmental impact would be minimal as they will follow the procedure to be certain of compliance.

Unofficial preliminary approval has been received from DEQ and DWAAM allowing the Landfill Commission to proceed with the site development and it will be reviewed all along the way. One (1) other site was looked at before choosing this site. The well that is 90' from the site will be engineered around so that the landfill will not interfere.

Dan Connell, Attorney for one of the landowners, questioned the Board's authority in the procedure used. The request was not in proper order. The Board should be cautious in approving the Zoning Board's findings. The extra 10 acres in the application are for road and are not part of the application for special use. Kim Triggs stated the Storm Lake City Council was in favor of the site. Newell is also in favor. Surrounding counties are hauling great distances because burning is not efficient.

Whereupon it was moved by Gustafson to delay for 6 months for a cooling off period and to give the commission time to examine other options and other sites. This was seconded by Radke. Whereupon, they were informed that the option on the proposed site expires November 1, 1984. Radke then withdrew his second to the motion. The motion died for lack of a second. Radke then moved to grant a special use permit, being seconded by Samelson. The vote on this motion was: Ayes--Radke, Samelson. Nays--Gustafson. The motion carried. County Attorney Ritchie will be asked for an opinion on the legality of the Board of Supervisors action. The hearing was adjourned and the Board returned to the Board room to complete their meeting.

Minutes of the October 2, 1984 meeting were read, corrected and approved.

County Treasurer Nina Roberts informed the Board that the Commercial Bank was now ready to pledge assets to the extent of \$3,000,000.00. The ceiling allowed by the Board of Supervisors and approved by the Treasurer of the State of Iowa is \$5,000,000.00, however only \$3,000,000.00 is needed at this time. Whereupon it was moved by Samelson, seconded by Radke to authorize the Supervisors to sign the form pledging \$5,000,000.00 in assets for the security of public funds of Buena Vista county with the Commercial Trust & Savings Bank, Storm Lake, Iowa. Ayes--all.

Custodian Rollin Sievers inquired about using pagers to signal the custodians when they are needed at a particular location. He was instructed to get chips so that the secondary road channel can be used rather than the emergency channel now being used.

Darel Burns, Drainage Engineer, presented a petition requesting a clean-out on lateral 3 of D.D.#34. He feels the clean-out is needed. Whereupon it was moved by Samelson, seconded by Gustafson to appoint Darel Burns as the Drainage Engineer to investigate the need and to report back to the Board with his findings and recommendations. Ayes--all.

It was moved by Gustafson, seconded by Radke authorizing the Treasurer to deposit the 4th quarter Entitlement Period 15 Federal Revenue Sharing check in the amount of \$60,576.00 in the Security Trust & Savings Bank, Storm Lake at interest. Ayes--all.

BOARD OF SUPERVISORS MEETING  
 FORTY-THIRD MEETING, 1984 SESSION (43)  
 November 13, 1984

The Board of Supervisors of Buena Vista County met pursuant to adjournment at 9:00 A. M. with Chairman Harjes presiding, and with the following other members present: Radke, Gustafson, Samelson.

Minutes of the October 30, 1984 meeting were read and approved.

As the first order of business, County Auditor Julius administered the Oath of Office to Richard A. Vail, as County Supervisor elected to fill the unexpired term of Supervisor for District #1. This term expires December 31, 1986.

County Attorney Corwin Ritchie submitted a letter of appointment, appointing Jon J. Weigand to the Buena Vista County Civil Service Commission for a term expiring December 31, 1989.

Buena Vista County Clerk of Court Donna McPherrren inquired about renewing the Certificate of Deposit for the Buckingham Trust Fund in the amount of \$34,222.00 with the First Federal Savings & Loan of Storm Lake, Iowa for a period of 6 months. The checking account for the fund has a balance of \$4458.00 available for use for needy children of Buena Vista County. She was instructed to renew the certificate and to place the interest in the checking account.

Jim Nelson, Buena Vista County Hospital Administrator, informed the board about the county ambulance situation. The Sioux Rapids ambulance needs a new motor. The others are located at Albert City and the County Hospital. He wondered if this was the proper location for them and feels that the survey of the community will shed some light on the needs and desires. Volunteers are needed for this service. Mr. Nelson also stated that the hospital picture is not too bright for the near future but that the county hospital will survive all right.

Anita Hallquist and Bob Peters, District Director for Human Services, presented an overview of Program & Service Delivery of Human Services as it related to Buena Vista County. This was well received. The disputed general relief claim owed the State Comptrollers office was reviewed and will be settled with a meeting of the persons involved. Whereupon it was moved by Gustafson, seconded by Samelson to go into a closed session to discuss an employee in the Human Services office. This proceeding was taped as required by law.

Darlene Peterson, County Nurse, informed the Board that their department is conducting a volunteer "wellness" program for all county employees. The program seems to be off to a good start.

The approved resolution naming depositories was received from the State Treasurer's office.

It was moved by Samelson, seconded by Radke authorizing the Supervisors to sign the form with First Federal Savings & Loan, Storm Lake in which they pledge \$2,000,000.00 in assets for the security of public funds which may be deposited with them.

Willard Christensen inquired about a bridge which needs to be replaced in Brooke Township. It is a historical bridge. The Board will investigate this further to see if the road can be closed and vacated.

A Work Comp dividend in the amount of \$1,280.95 for the 1982 year was received. The ISAC insurance program will be discussed further at the next meeting.

It was moved by Gustafson, seconded by Samelson to approve the 1st quarter 1984-85 report on farm-to-market funds, the September and October reports on child support recovery, and the October report on Clerk's fees. Ayes--all.

It was moved by Radke, seconded by Gustafson to install "rumble strips" for north and south bound traffic at the junction of Highways #3 and M-27. Upon polling the Board with the results being: Ayes--Gustafson, Radke. Nays--Samselson, Harjes, Vail. Motion was defeated.

County Sheriff-elect Duane Heeney explained their department's and the Communications Center's involvement with the fatal accident that happened at Highway #3 & M-27 junction in which 3 persons were killed. Deputy Heeney also stated that their relationship with the state patrol is excellent and that the one nearest the scene of an accident is the one who covers the accident. Deputy Heeney also requested consideration for a 4-wheel drive vehicle to be included in the upcoming budget. He was informed that his 1985-86 proposed budget is to be ready for consideration about January 20, 1985. Deputy Heeney then stated that when he becomes the elected official he would like to stagger the pay scale of all the deputies whenever the next salary increase occurs. He will submit his pay recommendations at the next regular meeting.

# BUENA VISTA COUNTY, IOWA

Deputy Auditor Jean Eckerman, informed the Board as to what all was covered under the computer maintenance agreement. She recommended a direct telephone line hook-up with CMS for software maintenance. No action was taken, however the Board will take this under advisement.

Jan Hartwig, from the County Health Department, and Sue Now, from the Department of Human Services, inquired about a person needing to be evaluated at Woodward. ## Resolution

It was moved by Gustafson, seconded by Samelson that the following resolution be adopted: BE IT RESOLVED by Buena Vista County: That Buena Vista County does hereby contribute the sum of Ten Thousand Dollars (\$10,000.00) to County Risk Management Services of the Iowa State Association of Counties to be by it used to aid in providing comprehensive liability insurance against these claims, a coordinated defense to these claims, and to provide information, help, and educational material to the counties concerning these claims, and the Auditor shall draw and execute a warrant of this county in this amount and forward it to the Iowa State Association of Counties, 1055 - 6th Avenue, Des Moines, Iowa 50314. The vote on this resolution was: Ayes--all.

It was moved by Vail, seconded by Gustafson to renew the Buena Vista County Insurance coverage for 1985 with ISAC the same as for the current year. Ayes--all.

Larry Jensen informed the Board about his weed spraying this year. Elk Township was sprayed with "Krenite" and Ralph Walter did Scott and part of Hayes townships with Krenite. It will be about next July before they will know how effective this was. The cost this year was about \$53,000.00 for the program. Mr. Jensen recommended blanket spraying the south 1/2 of the county and spot spraying the north 1/2 this coming year, with less expensive chemicals if they are trying to economize. This will be given further consideration.

Jerry Meyer, Richard Grienke and Bernard Peterson inquired about getting "rumble strips" installed at Highway 3 and M-27, or flashing lights. They presented a petition signed by 178 persons requesting this be done. This was discussed and County Engineer Don Linnan informed the Board that it would cost about \$30,000.00 to do all the hard-surfaced roads in the county. All the signs approaching the accident location were covered with snow and ice and were not readable. Mr. Linnan was instructed to obtain prices for the whole county and on a per intersection basis.

Larry Sorenson, "Red Barn" Administrator, presented the annual report on the Work Activity Center. He stated that they were again going to try to obtain a Block Grant, about the same as last year. After further discussion it was moved by Gustafson, seconded by Vail to support the Work Activity Center's application for a block grant, with the Public Hearing to be held December 11, 1984 at 1:30 P. M. in the Board of Supervisors Room.

It was moved by Samelson, seconded by Radke to reappoint Kenneth Anderson, Newell, Iowa, to the Buena Vista County Board of Adjustment for a 5 year term which expires June 21, 1989. Ayes--all.

It was moved by Vail, seconded by Samelson to approve the October reports on Clerk's fees, Small Claims, Board of Health, and the November reports of NWIPDC, ADTU, Board of Health, Sanitarian, the 1st quarter FY 1984-85 Board of Health, and the Sanitarian's job description. Ayes--all.
