BOARD OF SUPERVISORS MEETING
THIRTY-FIFTH MEETING, 1990 SESSION (35)
JULY 23, 1990

The Buena Vista County Board of Supervisors met in special session on Monday, July 23, 1990 at 8:00 p.m. in the 2nd floor public meeting room with Chairman Rehnstrom presiding, and with the following other members present: Burnside, Gustafson, Harjes and Vail, and with Auditor Strawn as clerk for the meeting. Also present was County Attorney Corwin Ritchie.

Rehnstrom introduced the Board Members, Attorney, Representative Russ Eddie, and noted that representatives of the media were present. The purpose of the meeting was to hear the concerns of the Lakeside citizens.

Landowner Karlton Fullenworth presented a statement regarding information assembled to support his group's position of opposition to the use by IBP of a 280 acre farm for sludge dumping. The group requested that the county pass an ordinance to regulate the sludge dumping.

Representative Eddie addressed his support of changing limits for industrial dumping, but also expressed his concern about trying to regulate odor.

A Lakeside resident said that his primary concern was for groundwater protection, noting that it is important to protect the lake prior to it being damaged.

Dale Conklin, Storm Lake Waste Water Treatment Plant, expressed an interest in working with the Board on formulating guidelines.

Steve McKenna, a local farmer, spoke to his concern that legislating odor for IBP is the first stepping-stone to regulating odor for the livestock producer. He asked for moving ahead with caution.

Another Lakeside resident stated that the group would like to see the Board pass a sludge ordinance, with further study, at a later time, on the odor.

Others spoke reiterating the earlier comments. Rehnstrom assured the group that the subject would be put on the agenda for the Board's consideration. The Chairman called for a recess of the meeting. The Board reconvened in the Boardroom to cover additional agenda items.

Motion by Harjes, second by Burnside, to declare the results of the canvass of the July 17, 1990 Lakeside Franchise Election as follows: "Should Iowa Electric be granted a 25-year franchise to operate in the City of Lakeside?" Yes-33, No-0, Public Measure-approved. Ayes all.

Motion by Vail, second by Burnside, to approve the underground construction request from Iowa Electric Light and Power Company to install 2-inch gas main crossings at the following locations all referenced to the S. E. corner of Section 29-91-37: 2643' west, 359' east, 120' south. Ayes all.

Motion by Harjes, second by Burnside, to approve the underground construction request from Iowa Electric Light and Power Company to install a 4-inch gas main in the following locations and as indicated on the attached (to the application) maps: 1. from Lot 7 West Cliff Estates south to the south side of Section 9-90-37; 2. from west line of Stoney Point Beach to Junction with South Cove Addition; 3. Junction South Cove Addition and Stoney Point Beach east to east line of Stoney Point Addition; additionally a 1/2" gas line will be bored under the road for each lot in Stoney Point Beach and South Cove Addition. Ayes all.

There being no further business, the meeting adjourned to Tuesday, July 31 at 9:00 a.m. for a regular session.

BOARD OF SUPERVISORS MEETING FORTY-NINTH MEETING, 1990 SESSION (49) NOVEMBER 27, 1990

The Buena Vista County Board of Supervisors met in special session on Tuesday, November 27 at 8:30 a.m. in the Boardroom with Chairman Rehnstrom presiding, and with the following other members present: Burnside, Gustafson, Harjes and Vail, and with Auditor Strawn as clerk for the meeting.

Cherokee Co. Supervisor Jack Foresman and Cherokee County Sanitarian Don Tietgen met with the Board regarding the Bryant Beef cells (lagoons) on the Buena Vista County/Cherokee County line. (Also present for the meeting were Buena Vista County Sanitarian Ray Kurtz, Paul Christiansen, City of Storm Lake and media). Foresman proposed a 28E agreement between the 2 counties for the purpose of administering joint county activity on the property. They requested that the Board consider appointing a committee to work on the project. Cherokee County has title for the parcel in Cherokee County, Buena Vista County has not taken title yet for the parcel in Buena Vista County.

Barb Lynch and Bryon Whiting, D.N.R., and 7 interested persons met with the Board to discuss subdivision sewage dumping into Storm Lake. D.N.R. has received a complaint, this being the purpose for today's meeting. Lynch reviewed the responsibilities of the D.N.R. and the county. Lynch suggested that this complaint must address the issue and determine whether or not there is a problem. Whiting explained that the D.N.R. has the obligation, according to Code to investigate. Harjes commented that the investigation should be uniform - all residences, not selected ones - should be investigated. Whiting asked for a commitment from the county for dye-testing. Motion by Gustafson, second by Harjes, to authorize and to direct the Buena Vista County Sanitarian with the assistance of the D.N.R. to proceed in testing (weather permitting) the systems of all homes on the lake, with the exception of those known to be hooked up to the City of Storm Lake's sewage system, the first step being to notify owners and tenants by letter from the Board of Health. Ayes all.

Engineer Don Linnan discussed the detour used when Hwy 7 on the Pocahontas/Buena Vista County line was repaired. He recommended that no damages be assessed to DOT for the reason of excessive damage to the detour route. The Board approved.

Deputy Assessor Kim Carnine presented 419 applications for family farm credit for approval by the Board. The Board will give their approval following the completion of filing.

Following completion of the November 6, 1990 General Election canvass of votes from the following counties: Buena Vista, Calhoun, Ida, Pocahontas and Sac for the office of Regional Library trustee, District 4, motion by Harjes, second by Vail, to declare the results as follows: 73 votes cast,

Mary Jo Waller - 68 elected Scattering - 5;
and to direct the Auditor to prepare an abstract as required by law. Ayes all.

BOARD OF SUPERVISORS MEETING
FIFTY-THIRD MEETING, 1990 SESSION (53)
DECEMBER 31, 1990

The Buena Vista County Board of Supervisors met in special session on Monday, December 31, 1990 at 1:00 p.m. in the Boardroom with Chairman Rehnstrom presiding and with the following other members present: Burnside, Gustafson, Harjes, and Vail and with Auditor Strawn as clerk for the meeting.

Upon completion of the canvass of the December 18, 1990 Albert City Special Election, motion by Vail, second by Burnside, to declare the results as follows: On the question of a non-exclusive 25 year franchise for Iowa Electric Light and Power in the city of Albert City, the vote was: 73 total votes, yes - 58; no - 15. Question approved; and to direct the Auditor to prepare and forward the abstract of election as required by Chapter 50.25 of the 1987 Code of Iowa. Ayes all.

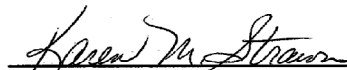

Motion by Burnside, second by Vail, to appoint the following cash count committee for the end of calendar year cash count in the Treasurer's office: Harjes and Gustafson. Ayes all.

1:15 p.m. the time having arrived for the Public Hearing on the Ag Area petition file by Vilas, etal, Chairman Rehnstrom opened the hearing and noted that 4 interested persons were present, and 3 media persons. Auditor Strawn noted that the public hearing notice had been published as required, and that the description in the petitions matched the land so marked on the map, and finally, that all owners of record had signed the petition. Charles Schroll asked if the designation of ag area would be permanent. It is permanent unless owners take action to get out (as described in 176B). Schroll indicated he was not in opposition, but attended for the purpose of being informed. Motion by Harjes, second by Burnside to close the hearing. Ayes all. Motion by Gustafson, second by Harjes, to approve the request for an ag area designation as requested in the petition filed November 29, 1990 by Wilbert Vilas, etal, the area being in Sections 28 & 29, Washington Twp. Ayes all.

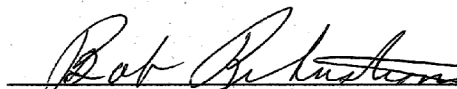

Motion by Burnside, second by Harjes to appoint Steve Kier-Trustee and Dale Bodholdt-Clerk for Newell Township, the terms to expire 12/31/92 due to being filled by appointment. Ayes all.

1:45 p.m. The time having arrived for the public hearing on the amendment of the FY'91 county budget, the Chairman opened the hearing. The Auditor noted that the notice for the hearing has been published as required by law, and, that amendment was being made to reflect a \$211,695 revenue from the Landfill, and a \$211,695 expenditure for Landfill bonds and interest. There being no questions, motion by Harjes, second by Burnside, to close the hearing. Ayes all. Motion by Vail, second by Gustafson, to approve the budget amendment for the FY'91 budget as published. Ayes all.

There being no further business, the meeting adjourned to Wednesday, January 2, 1991 for the first regular meeting of the 1991 session.
