Press Release

-For Immediate Release-

### **Public Shooting Range Stakeholder Meeting scheduled for January 19th.**

The Buena Vista County Conservation Board is hosting a Kick-off meeting for interested parties to discuss the needs and goals for a public shooting range in Buena Vista County.

As youth shooting sports become an ever-increasing sport among Highschool students in Buena Vista County, there is a need for a universal shooting complex that teams can practice at and hold competitions with other schools. That need was recently increased with the addition of a collegiate shooting sports team at Buena Vista University.

If you have an interest in supporting or discussing the needs and goals of a public and/or youth sports complex please join the Conservation Board and other Stakeholders on January 19th at 6:00 P.M. at the County Engineers' Office located at, 526 Radio Road, Storm Lake.

For additional information or questions please contact the Conservation Board's office at 712-295-7985
