Rules Guideline:

1. Form to be completed by trapper and signed by Landowner.
2. Proof (tail of beaver) must be verified by Supervisor of district in which beaver is trapped; Supervisor will certify same (OK'd By :) on this form.
3. Payment will be made from the appropriate Drainage District Fund or the General Fund on basis of \$50.00 per beaver tail.
4. Payment for Beavers trapped in non-drainage district areas will be limited by \$1,500/year maximum on a first come, first serve basis. Continuation of the non-Drainage Districts program will be determined at budget time based on whether or not funding is approved for the year.
