

Buena Vista County Supervisors

Buena Vista County's Population Increased by 2.3% or 563 People. The population when from 20,260 to 20,823. Each district should have 4165 plus or minus 41. Since three of the five districts don't meet this requirement the Districts will need to be redrawn.

Dist_Id	District	Populatio	Populatio	Populatio	Dvp
1	D1	4158	-7	-0.17	
2	D2	4153	-12	-0.29	
3	D3	4167	2	0.05	
4	D4	4160	-5	-0.12	
5	D5	4185	20	0.48	

Redistricting Guidelines

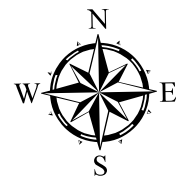

1. Do not split cities unless they are larger than one district can hold.
2. Follow boundaries to the best of ability.
3. Preferable to use major transportation or geographic features as dividing lines.

Goal: putting people of similar socioeconomic backgrounds into the same district. In order to allow for fair representation.
